Date 1/14/2011

Bill No. SB2

SENATE BILL 2

JANUARY 14, 2011

TO: HONORABLE CHAIRMAN TERRY MURPHY
AND COMMITTEE MEMBERS

My name is Sharon Grace. I have worked for the Clancy Elementary School in Clancy as the School Secretary for 31 years - 1974-2005. I have observed many children in those years that were in the need of dental care. Sometimes, it was necessary for the School Counselor to work with the parents and a dentist who was willing to do the work for free. I really feel that there is a great need for House Bill 2 - an act allowing dental hygienists to conduct school-based sealant programs for these children.

Thank you.
