11  
12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

13  
14 NEW SECTION. **Section 1. Short title.** [Sections 1 through 9] may be cited as the "Parental Notice of  
15 Abortion Act of 2011".

16  
17 NEW SECTION. **Section 2. Legislative purpose and findings.** (1) The legislature finds that:  
18 (a) immature minors often lack the ability to make fully informed choices that take into account both  
19 immediate and long-range consequences;  
20 (b) the medical, emotional, and psychological consequences of abortion are sometimes serious and can  
21 be lasting, particularly when the patient is immature;  
22 (c) the capacity to become pregnant and the capacity for mature judgment concerning the wisdom of an  
23 abortion are not necessarily related;  
24 (d) parents ordinarily possess information essential to a physician in the exercise of the physician's best  
25 medical judgment concerning the minor;  
26 (e) parents who are aware that their minor daughter has had an abortion may better ensure that the  
27 daughter receives adequate medical care after the abortion; and  
28 (f) parental consultation is usually desirable and in the best interests of the minor.  
29 (2) The purpose of [sections 1 through 9] is to further the important and compelling state interests of:  
30 (a) protecting minors against their own immaturity;

- 1 (b) fostering family unity and preserving the family as a viable social unit;  
2 (c) protecting the constitutional rights of parents to rear children who are members of their household;  
3 and  
4 (d) reducing teenage pregnancy and unnecessary abortion.

5  
6 **NEW SECTION. Section 3. Definitions.** As used in this part, unless the context requires otherwise,  
7 the following definitions apply:

8 (1) "Actual notice" means the giving of notice directly in person or by telephone.

9 (2) "Coerce" means to restrain or dominate the choice of a minor female by force, threat of force, or  
10 deprivation of food and shelter.

11 (3) "Emancipated minor" means a person under 18 years of age who is or has been married or who has  
12 been granted an order of limited emancipation by a court as provided in 41-3-438.

13 (4) "Incompetent person" means a person who is an incapacitated person or a protected person who  
14 has had a guardian appointed pursuant to Title 72, chapter 5.

15 (5) "Medical emergency" means a condition that, on the basis of the physician's good faith clinical  
16 judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion  
17 of the woman's pregnancy to avert the woman's death or a condition for which a delay in treatment will create  
18 serious risk of substantial and irreversible impairment of a major bodily function.

19 (6) "Minor" means a female under 18 years of age who is not an emancipated minor.

20 (7) "Physical abuse" means any physical injury intentionally inflicted by a parent or legal guardian on a  
21 child.

22 (8) "Physician" means a person licensed to practice medicine under Title 37, chapter 3.

23 (9) "Sexual abuse" has the meaning given in 41-3-102.

24  
25 **NEW SECTION. Section 4. Notice of parent required.** A physician may not perform an abortion upon  
26 a minor or an incompetent person unless the physician has given at least 48 hours' actual notice to one parent  
27 or to the legal guardian of the pregnant minor or incompetent person of the physician's intention to perform the  
28 abortion. The actual notice may be given by a referring physician. The physician who performs the abortion must  
29 receive the written statement of the referring physician certifying that the referring physician has given actual  
30 notice. If actual notice is not possible after a reasonable effort, the physician or the physician's agent shall give

1 alternate notice as provided in [section 5].

2

3 **NEW SECTION. Section 5. Alternative notification.** In lieu of the actual notice required by [section  
4 4], notice may be made by certified mail addressed to the parent at the usual place of residence of the parent with  
5 return receipt requested and delivery restricted to the addressee, which means a postal employee may deliver  
6 the mail only to the authorized addressee. Time of delivery is considered to occur at noon on the next day on  
7 which regular mail delivery takes place after mailing.

8

9 **NEW SECTION. Section 6. Exceptions.** Notice is not required under [section 4 or 5] if:

10 (1) the attending physician certifies in the patient's medical record that a medical emergency exists and  
11 there is insufficient time to provide notice;

12 (2) notice is waived, in writing, by the person entitled to notice; or

13 (3) notice is waived under [section 8].

14

15 **NEW SECTION. Section 7. Coercion prohibited.** A parent, a guardian, or any other person may not  
16 coerce a minor to have an abortion. If a minor is denied financial support by the minor's parents, guardian, or  
17 custodian because of the minor's refusal to have an abortion, the minor must be considered an emancipated  
18 minor for the purposes of eligibility for public assistance benefits. The public assistance benefits may not be used  
19 to obtain an abortion.

20

21 **NEW SECTION. Section 8. Procedure for judicial waiver of notice.** (1) The requirements and  
22 procedures under this section are available to minors and incompetent persons whether or not they are residents  
23 of this state.

24 (2) The minor or incompetent person may petition the youth court for a waiver of the notice requirement  
25 and may participate in the proceedings on the person's own behalf. The petition must include a statement that  
26 the petitioner is pregnant and is not emancipated. The court may appoint a guardian ad litem for the petitioner.  
27 A guardian ad litem is required to maintain the confidentiality of the proceedings. The youth court shall advise the  
28 petitioner of the right to assigned counsel and shall order the office of state public defender, provided for in  
29 47-1-201, to assign counsel upon request.

30 (3) Proceedings under this section are confidential and must ensure the anonymity of the petitioner. All

1 proceedings under this section must be sealed. The petitioner may file the petition using a pseudonym or using  
2 the petitioner's initials. All documents related to the petition are confidential and are not available to the public.  
3 The proceedings on the petition must be given preference over other pending matters to the extent necessary  
4 to ensure that the court reaches a prompt decision. The court shall issue written findings of fact and conclusions  
5 of law and rule within 48 hours of the time that the petition is filed unless the time is extended at the request of  
6 the petitioner. If the court fails to rule within 48 hours and the time is not extended, the petition is granted and the  
7 notice requirement is waived.

8 (4) If the court finds that the petitioner is competent to decide whether to have an abortion, the court shall  
9 issue an order authorizing the minor to consent to the performance or inducement of an abortion without the  
10 notification of a parent or guardian.

11 (5) The court shall issue an order authorizing the petitioner to consent to an abortion without the  
12 notification of a parent or guardian if the court finds that:

13 (a) there is evidence of physical abuse, sexual abuse, or emotional abuse of the petitioner by one or both  
14 parents, a guardian, or a custodian; or

15 (b) the notification of a parent or guardian is not in the best interests of the petitioner.

16 (6) If the court does not make a finding specified in subsection (4) or (5), the court shall dismiss the  
17 petition.

18 (7) A court that conducts proceedings under this section shall issue written and specific findings of fact  
19 and conclusions of law supporting its decision and shall order that a confidential record of the evidence, findings,  
20 and conclusions be maintained.

21 (8) The supreme court may adopt rules providing an expedited confidential appeal by a petitioner if the  
22 youth court denies a petition. An order authorizing an abortion without notice is not subject to appeal.

23 (9) Filing fees may not be required of a pregnant minor who petitions a court for a waiver of parental  
24 notification or appeals a denial of a petition.

25  
26 **NEW SECTION. Section 9. Criminal and civil penalties.** (1) A person convicted of performing an  
27 abortion in violation of [section 4 or 5] shall be fined an amount not to exceed \$500 or be imprisoned in the county  
28 jail for a term not to exceed 6 months, or both.

29 (2) Failure to provide the notice required under [section 4 or 5] is prima facie evidence in an appropriate  
30 civil action for a violation of a professional obligation. The evidence does not apply to issues other than failure

1 to notify the parents or guardian. A civil action may be based on a claim that the failure to notify was the result  
 2 of a violation of the appropriate legal standard of care. Failure to provide notice is presumed to be actual malice  
 3 pursuant to the provisions of 27-1-221. [Sections 1 through 9] do not limit the common-law rights of parents.

4 (3) A person who coerces a minor to have an abortion is guilty of a misdemeanor and upon conviction  
 5 shall be fined an amount not to exceed \$1,000 or be imprisoned in the county jail for a term not to exceed 1 year,  
 6 or both. On a second or subsequent conviction, the person shall be fined an amount not less than \$500 and not  
 7 more than \$50,000 and be imprisoned in the state prison for a term not less than 10 days and not more than 5  
 8 years, or both.

9 (4) A person not authorized to receive notice under [section 5] who signs a notice of waiver as provided  
 10 in [section 6(2)] is guilty of a misdemeanor.

11

12 **Section 10.** Section 41-1-405, MCA, is amended to read:

13 **"41-1-405. Emergencies and special situations.** (1) A health professional may render or attempt to  
 14 render emergency service or first aid, medical, surgical, dental, or psychiatric treatment, without compensation,  
 15 to any injured person or any person regardless of age who is in need of immediate health care when, in good  
 16 faith, the professional believes that the giving of aid is the only alternative to probable death or serious physical  
 17 or mental damage.

18 (2) A health professional may render nonemergency services to minors for conditions that will endanger  
 19 the health or life of the minor if services would be delayed by obtaining consent from spouse, parent, parents,  
 20 or legal guardian.

21 (3) Consent may not be required of a minor who does not possess the mental capacity or who has a  
 22 physical disability that renders the minor incapable of giving consent and who has no known relatives or legal  
 23 guardians, if a physician determines that the health service should be given.

24 (4) Self-consent of minors does not apply to sterilization or abortion, except as provided in ~~Title 50,~~  
 25 ~~chapter 20, part 2~~ [sections 1 through 9]."

26
