14	telecommunication services, as defined in 69-3-803, to implement alternatives to the ratemaking practices
15	required under parts 2, 3, and 9 of this chapter, including but not limited to price caps and equitable sharing of

8	(b) may petition the commission to be regulated under a revised alternative plan.
9	(5)(4) Upon petition or upon its own motion, the commission may rescind its approval or amend an

12	(6)(5) Nothing contained in this section may be construed as limiting or otherwise affecting the
13	commission's authority to conduct investigations or hear complaints as provided in part 3 of this chapter."
