**Description of fiscal impact:** This bill, as amended in the House Appropriations Committee, has no fiscal impact to the Department of Corrections or the Montana Board of Crime Control.

#### Technical Notes:

- The Montana Board of Crime Control is the US Department of Justice State Administering Agency which allows the agency to access certain types of grant funding. Since the Department of Corrections is not the designed State Administering Agency, this bill will limit the ability for the state to acquire restorative justice grants. In addition, the Department of Corrections has limited resources to be the grantor or monitor of sub grants as does the Board of Crime Control.
