Description of fiscal impact: This fiscal impact of HB 521 would be to the counties for the proportional costs per legislative referendum. The average statewide cost to place this legislative referendum on the ballot is \$37,729. This price per referendum may vary depending on the total number of contests on the ballot in a given year and the total cost of each election.

Effect on County or Other Local Revenues or Expenditures:

- The total cost for ballots, printing, programming and other associated costs is estimated to be \$830,046, which is divided by the average number of contests per ballot of 22 contests = \$37,729.
- In 2012 the cost to counties for programming and printing legislative referenda was approximately \$113,200 (3 x \$37,729).
