### FISCAL ANALYSIS

#### Assumptions:

#### **Department of Fish, Wildlife & Parks (FWP)**

1. The amended version of SB 200 has no fiscal impact to FWP.

#### **Legislative Branch**

2. SB 200 is one of several bills seeking to add to the duties of interim committees. The fiscal note for each bill is prepared based on the effect of the individual bill. However, when viewed as a package, the cumulative effect of passage of more than one bill will require additional analysis and may require additional resources.
3. Section 1 of this bill requires that the Department of Fish, Wildlife, and Parks annually report to the Environmental Quality Council regarding implementation of this section. The department currently has reporting requirements to the Environmental Quality Council, as provided in 75-1-324(10)(b), MCA.
4. For the purposes of this fiscal note, it is assumed that the council will perform the work from existing resources. The Legislative Services Division will evaluate resource needs after completing the first interim which includes the requirements of this bill.
