The state agency is the employer for purposes of the compensation plan selected pursuant to this section. Any sums necessary to be paid under the provisions of this chapter by a state agency are considered to be ordinary and necessary expenses of the state agency. The state agency shall pay the sums into the state fund at the time and in the manner provided for in this chapter, notwithstanding that the state agency may have failed to anticipate the ordinary and necessary expense in a budget, estimate of expenses, appropriations, ordinances, or otherwise.

(b) (i) ~~Subject to subsection (5), the department of administration, provided for in 2-15-1001, shall manage~~ The department of administration shall elect coverage under one compensation plan to provide workers' compensation insurance coverage for all state agencies except the state compensation insurance fund if the state compensation insurance chooses a plan No. 2 insurer. (iv) In any year in which the workers' compensation premium due from a state agency is lower than in the previous year, the appropriation for that state agency must be reduced by the same amount that the workers' compensation premium was reduced and the difference must be returned to the originating fund instead of being applied to other purposes by the state agency submitting the premium.

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 23, 2013

(2) (a) A public corporation, ~~other than a state agency~~, may elect coverage under compensation plan No. 1, plan No. 2, or plan No. 3, separately or jointly with any other public corporation, ~~other than a state agency~~ or with the department of administration as provided in subsection (2)(b).

(b) Except as provided in [section 3], the department of administration, on behalf of all state agencies, may join with a public corporation to elect coverage under compensation plan No. 2 or plan No. 3. Until notes or bonds described in subsection (3)(a) are fully paid, the funds described in subsection (3)(a) must remain separate from the funds paid to the department of administration by state agencies.

(c) A public corporation, if electing coverage under compensation plan No. 1, may purchase reinsurance or issue bonds or notes pursuant to subsection (3)(b). A public corporation electing coverage under compensation plan No. 1 is subject to the same provisions as a private employer electing compensation plan No. 1.

(3) (a) A public corporation, ~~other than a state agency~~, that elects coverage under plan No. 1 may establish a fund sufficient to pay the compensation and benefits provided for in this chapter and to discharge all liabilities that are reasonably incurred during the fiscal year for which the election is effective. (b) (i) A public corporation, ~~other than a state agency~~, separately or jointly with another public corporation, ~~other than a state agency~~, may issue and sell its bonds and notes for the purpose of establishing, in whole or in part, the self-insurance workers' compensation fund provided for in subsection (3)(a) and to pay the costs associated with the sale and issuance of the bonds. Bonds and notes may be issued in an amount not exceeding 0.18% of the total assessed value of taxable property, determined as provided in 15-8-111, of the public corporation as of the date of issue. The bonds and notes must be authorized by resolution of the governing body of the public corporation and are payable from an annual property tax levied in the amount necessary to pay principal and interest on the bonds or notes. This authority to levy an annual property tax exists despite any provision of law or maximum levy limitation, including 15-10-420, to the contrary. The revenue derived from the sale of the bonds and notes may not be used for any other purpose.

(ii) The bonds and notes:

(A) may be sold at public or private sale;

(B) do not constitute debt within the meaning of any statutory debt limitation; and

(C) may contain other terms and provisions that the governing body determines.

(iii) Two or more public corporations, ~~other than state agencies~~, may agree to exercise their respective borrowing powers jointly under this subsection (3)(b) or may authorize a joint board to exercise the powers on their behalf.

Subject to the total assessed value limitation in subsection (3)(b)(i), a public corporation may issue bonds and notes to establish a fund sufficient to discharge liabilities for periods greater than 1 year.

(5) For the purposes of subsection ~~(4)(b)~~ (1)(a), the judicial branch or the legislative branch may choose not to have the department of administration manage its workers' compensation policy.

(6) The department of administration may adopt rules to implement ~~subsection (1)(b)(i)~~ this section.

(7) As used in this section, the following definitions apply:

(a) "Public corporation" ~~includes~~ has the meaning provided in 39-71-116 except that a state agency is excluded and the Montana university system is included.

If the department of administration elects coverage under plan No. 2 under the provisions of 39-71-403, the state fund may choose to provide and manage workers' compensation coverage for its employees under plan No. 3. If the state fund exercises this option, the state fund is exempt from 39-71-403 for the purposes of 39-71-2314. The Honorable Mark Blasdel
Speaker of the House
State Capital

The Honorable Jeff Essmann
President of the Senate
State Capital Helena, MT 59620

Dear Speaker Blasdel and President Essmann:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill 30 (HB 30), "AN ACT REVISING THE CLOSE OF LATE VOTER REGISTRATION; ENSURING COMPLIANCE WITH THE NATIONAL VOTER REGISTRATION ACT; AMENDING SECTIONS 13-2-301, 13-2-304, 13-19-207, AND 61-5-107, MCA; AND PROVIDING AN EFFECTIVE DATE."

In 2005, the 59th Montana Legislature passed a measure that allowed an eligible voter to register at any time leading up to and including on Election Day. That measure passed with large, bipartisan support -141 to 9. Since then, 28,000 Montanans have registered and voted on Election Day and our democracy is better for it.

The nearly unanimous passage of Election Day Registration ensured that a lifelong voter would not be denied the opportunity to participate because a clerical error removed them from the voting rolls or a political operative attempted to purge them.

HB 30 seeks to eliminate those protections voters rely on.

Proponents of this measure cited long lines on Election Day as their primary reason for passing HB 30 and denying some eligible Montanans the right to participate in our democracy. I believe that the registration and voting process should become more convenient so that every eligible

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 23, 2013

Montanan can have their say in our elections that includes ensuring that election officials have the tools they need to conduct elections efficiently. Regardless of whom they supported, we should celebrate that some Montanans would wait in line for several hours to cast their ballot and ensure their voices were heard -not using it as an excuse to make it more difficult for Montanans to exercise their rights.

If implemented, HB 30 could deny the fundamental right to the ballot to a senior citizen who moved into an assisted living facility. It could also disallow an active duty military member from voting because she happened to be deployed during an arbitrarily prescribed voter registration period.

I don't believe it is wise for elected leaders to step on the freedoms that Montanans expect us to protect. For these reasons, I respectfully request that you sustain my veto.

Sincerely,

STEVE BULLOCK
Governor

The Honorable Mark Blasdel
Speaker of the House
State Capitol

The Honorable Jeff Essmann
President of the Senate
State Capitol
Helena, MT 59620

Dear Speaker Blasdel and President Essmann:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill 162 (HB 162) "AN ACT ESTABLISHING A HIGH-DEDUCTIBLE HEALTH PLAN WITH A HEALTH SAVINGS ACCOUNT AS AN OPTIONAL HEALTH PLAN OFFERED UNDER THE STATE EMPLOYEE GROUP BENEFITS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE."

HB 162 unnecessarily mandates that the State Employee Group Benefit Plan offer a High Deductible Health Plan with a Health Savings Account. This is already an option the Plan may offer under current law. However, a mandate from the Legislature to the Department of Administration to require the plan to offer a particular benefit would be unprecedented. Currently, the Plan operates with broad guidance from the Legislature and within a specific appropriation, but is not mandated to offer any specific benefit. The language should stay as is, allowing the health plan to continue to analyze what is the best plan at any given period in time for state employees and what options may be in the best interests of the plan or its members, now or in the future.

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 23, 2013

In addition, Section 1 (2) adds an unnecessary and redundant requirement that the department comply with the Montana Procurement Act (Act). As a state agency, the department already does this. Not only is the department required to follow this Act, but it is also the agency that administers the procurement program for the state.

The department has considered offering a high-deductible plan to state employees and will continue to consider this option irrespective of the bill. However, until the department has reached its own conclusions as to the merits of offering a high deductible plan, I oppose HB 162, which mandates such an option be offered. I therefore respectfully request that you sustain my veto.

Sincerely

STEVE BULLOCK
Governor

April 22, 2013

The Honorable Mark Blasdel
Speaker of the House
State Capitol Helena, MT 59620

The Honorable Jeff Essmann
President of the Senate
State Capitol Helena, MT 59620

Dear Speaker Blasdel and President Essmann:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto House Bill 396 (HB 396), "AN ACT REQUIRING APPROVAL OF THE BOARD OF COUNTY COMMISSIONERS BEFORE THE DEPARTMENTS OF LIVESTOCK OR FISH, WILDLIFE, AND PARKS MAY AUTHORIZE ANY RELEASE, TRANSPLANTATION, OR RELOCATION OF WILD BUFFALO OR BISON CERTIFIED AS BRUCELLOSIS-FREE INTO A MONTANA COUNTY; AMENDING SECTIONS 81-2-120 AND 87-1-216, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

HB 396 sets a dangerous precedent by transferring authority for management of certain of the state's wildlife from the state to the counties. Montana's wildlife resources are managed by the state for good reasons, and the soundness of this policy is reflected in current statute in section 7-1-111 (12), MCA (prohibiting counties with self-government powers, which includes almost all counties, from exercising any power that applies to or affects fish and wildlife). Management of the public's wildlife should not be parsed out in a confusing manner among 56 counties and along arbitrary political boundaries that have little to do with how fish and wildlife are present on or utilize the landscape.

As an illustration of the problem, HB 396 fails to establish criteria by which counties must make decisions regarding wildlife transplantation, and it provides no appropriate public process for doing

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 23, 2013

so. This would be in contrast to the current process, where wildlife management is defined by science, well-established criteria, and opportunity for public input. HB 396 is not sound public policy.

Finally, HB 396 runs counter to Montana's established laws for disease control and the transport of wildlife and livestock, by allowing county government to exercise veto authority over the transport of one particular species. Proper application and harmonization of these laws belongs in the hands of the state veterinarian and state livestock inspectors.

I am committed to ensuring that state government works cooperatively with Montana counties. On April 5, I signed into law SB 249, which further defines "consultation" with respect to the relationship between the Department of Fish, Wildlife & Parks and counties and tribes regarding management of predators and large game species. I have asked the department to carry forward the spirit of SB 249 as it works with counties and tribes on the management of all fish and wildlife.

For these reasons, I respectfully ask for your support in sustaining my veto.

Sincerely,

STEVE BULLOCK
Governor

The Honorable Jeff Essmann
President of the Senate
State Capitol
Helena, MT 59620

Dear Speaker Blasdel and President Essman:

In accordance with the power vested in me as Governor by the Constitution and the Laws of the State of Montana, I hereby veto House Bill 522 (HB 522), entitled, "AN ACT RELATING TO DETAINMENT WITHOUT CHARGE, MILITARY TRIBUNALS, AND TRANSFER TO FOREIGN JURISDICTIONS OF PERSONS RESIDING IN THE STATE OF MONTANA; PROHIBITING THE STATE FROM PROVIDING MATERIAL SUPPORT FOR CERTAIN FEDERAL ACTS; PROHIBITING STATE PARTICIPATION IN THE IMPLEMENTATION OF CERTAIN FEDERAL ACTS; REQUIRING PERIODIC REPORTS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 23, 2013

HB 522 prohibits state agencies from providing material support in the implementation of sections 1021 and 1022 of the federal National Defense Authorization Act of 2012. Section 1021 of that Act has been challenged in federal court as being in violation of the First and Fifth Amendments to the U.S. Constitution. At issue in the litigation is whether section 1021 is overbroad or ambiguous and may allow for the indefinite detention of U.S. citizens who are journalists or activists. The litigation concerning the scope of Section 1021 is ongoing. See Christopher Hedges, et al. v. Barak Obama, et al., 890 F.Supp.2d 424 (S.D. N.Y., Sept. 12, 2012); Hedges, et al. v. Obama, 2012 U.S. App. LEXIS 19880 (2nd Cir., Sept. 17, 2012); Hedges, et al. v. Obama, 133 S.Ct. 1307 (Feb. 19, 2013).

HB 522 is similar to other bills this legislative session which attempt to nullify federal law in some instances, and prohibit the nullification of federal law in other instances. I vetoed HB 302, which would have prohibited the enforcement of a potential federal ban on semiautomatic weapons, even though no ban is even being considered. I also vetoed HB 50, which would have prohibited local governments from "nullifying" federal immigration law. I now veto HB 522 for the same reasons. First, the scope and applicability of the National Defense Authorization Act is under litigation. The result of that litigation may render HB 522 unnecessary. Second -as I have previously stated while any citizen is entitled to make political statements, we ought not clutter the Montana code with such statements or put our law enforcement officers in an untenable position. This bill should more appropriately have been brought as a joint resolution.

For these reasons, I respectfully ask you to sustain my veto of HB 522.

Sincerely,

STEVE BULLOCK
Governor

The Honorable Mark Blasdel
Speaker of the House
State Capitol
Helena, MT 59620

Dear Speaker Blasdel:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 554 (HB 554), "AN ACT REVISING LAWS RELATED TO LEGISLATOR PAYROLL AND BENEFITS; AMENDING SECTIONS 52-302 AND 5-2-303, MCA; AND PROVIDING AN EFFECTIVE DATE."

HB 554 was originally designed to fix two issues related to legislator compensation and ensure that if a legislator is also a state employee, the State Plan would be paid only once for this employee. In the form approved by both houses, the issue of legislator compensation has been satisfactorily resolved; however, the benefits issue is not. As a result, under HB 554, the State Health Care Plan will receive double payments of the state share for state employees who are also legislators.

HOUSE JOURNAL
EIGHTY-SIXTH LEGISLATIVE DAY - APRIL 23, 2013

In order to eliminate these double payments, it only makes sense that during the legislative session, the legislative branch would pay the state share and when the Legislature is not in session, the employing agency would pay the state share. My proposed amendment addresses the double payment issue by requiring just that.

I respectfully ask for your support of this amendment.

Sincerely,

STEVE BULLOCK
Governor
