EXHIBIT 20  
DATE 3-26-13  
HB HR 4

Lain Kay  
330 South Big Elk Meadow Rd  
Gallatin Gateway, MT 59730  
406 763 3032

To: House Agricultural Committee:

I do not understand why a House Resolution that has already been tabled by the House Natural Resources Committee can be heard by the House Agricultural Committee. I am referring to Representative Kerry White's HR4 which has same wording as when it was heard as HJ 8 and was tabled after a long hearing. This resolution against Senator Tester's Forest and Recreation Act is a waste of our Legislature's time and resources.

Please table this immediately.
