

## Encouraging Industries In Montana

The introduction to one series of questions read: "I am going to list several types of industries that are a part of Montana's economy. Do you think State Government should (ROTATE ORDER) encourage and promote these industries because of the jobs and economic benefits provided or restrict and discourage these industries because of potential environmental impact? (RANDOM ORDER)"

COAL			
	2012	2011	2010
Encourage And Promote Because Of The Jobs And Economic Benefits	71%	73%	73%
Restrict And Discourage Because Of Potential Environmental Impact	20%	20%	17%
Undecided	8%	7%	10%

OIL AND NATURAL GAS				
	2012	2011	2010	2009
Encourage And Promote Because of Jobs and Economic Benefits	77%	76%	79%	76%
Restrict And Discourage Because of Potential Environmental Impact	16%	18%	15%	17%
Undecided	7%	5%	6%	7%
