Ladies/Gentlemen:

I am writing in advance of your Committee hearing regarding Senate bill 83, which will practically make transplantation of wild sheep impossible in the State of Montana. I have reviewed the bill in detail and it is clearly detrimental to wild game management in the State and should be killed in Committee. FWP guidelines in place are currently very adequate, and in fact, the proposed transplant of wild sheep that spawned this bill was stopped by FWP after initial review, due to landowner issues.

As a life-long Montana resident, Sportsman, and voter, I ask you to please vote against this bill.

Sincerely,

Jeff Mortensen
