Amendments to House Bill No. 5
1st Reading Copy

For the House Joint Appropriations Subcommittee on Long-Range
Planning

Prepared by Catherine Duncan
February 6, 2013 (1:17pm)

1. Page 2, line 10.

Following: "funds."

Insert: "If a donation is received by the department of
administration from the Montana capitol restoration
foundation to install safety handrails in the capitol, then
the amount of the donation is authorized and the
appropriation of LRBP funds is reduced by a like amount. "

- END -

This amendment would allow the potential donation proposed in
testimony to be used for the capitol handrails project, but the
appropriation for LRBP funds would be reduced and the total
project cost would not be increased.
