Poll

Should Montana high school students be allowed to keep guns locked in their cars at school? Go to **Missoulian.com** and go to the latest online poll down the right side of the home page, just below the Classified link.

QUOTE OF THE DAY

"If no one is there the night before, the stove goes out. Last week, we skied in at about 11 a.m. and it was 40 degrees inside the cabin. It doesn't seem like it's working out so well."

– Bitterroot Cross Country Ski Club president Mike Hoyt on the first year of Beaverhead-Deerlodge National Forest taking over management of a cabin, formerly tended by the club
