RE: Support HB 430

Madame Chair, Members of the Committee, for the record, I am Joy Bruck, State President of AARP Montana. We are a non-partisan organization of approximately 155,000 members here in Montana.

We support HB 430 because this bill makes it clear that aging voters can use a designated agent to help them with any aspect of the voting process. The use of an agent has been very popular and helpful to many senior voters.

We believe the law needs to clearly allow an agent to assist people, especially seniors, who need assistance. We urge you to support HB 430.
