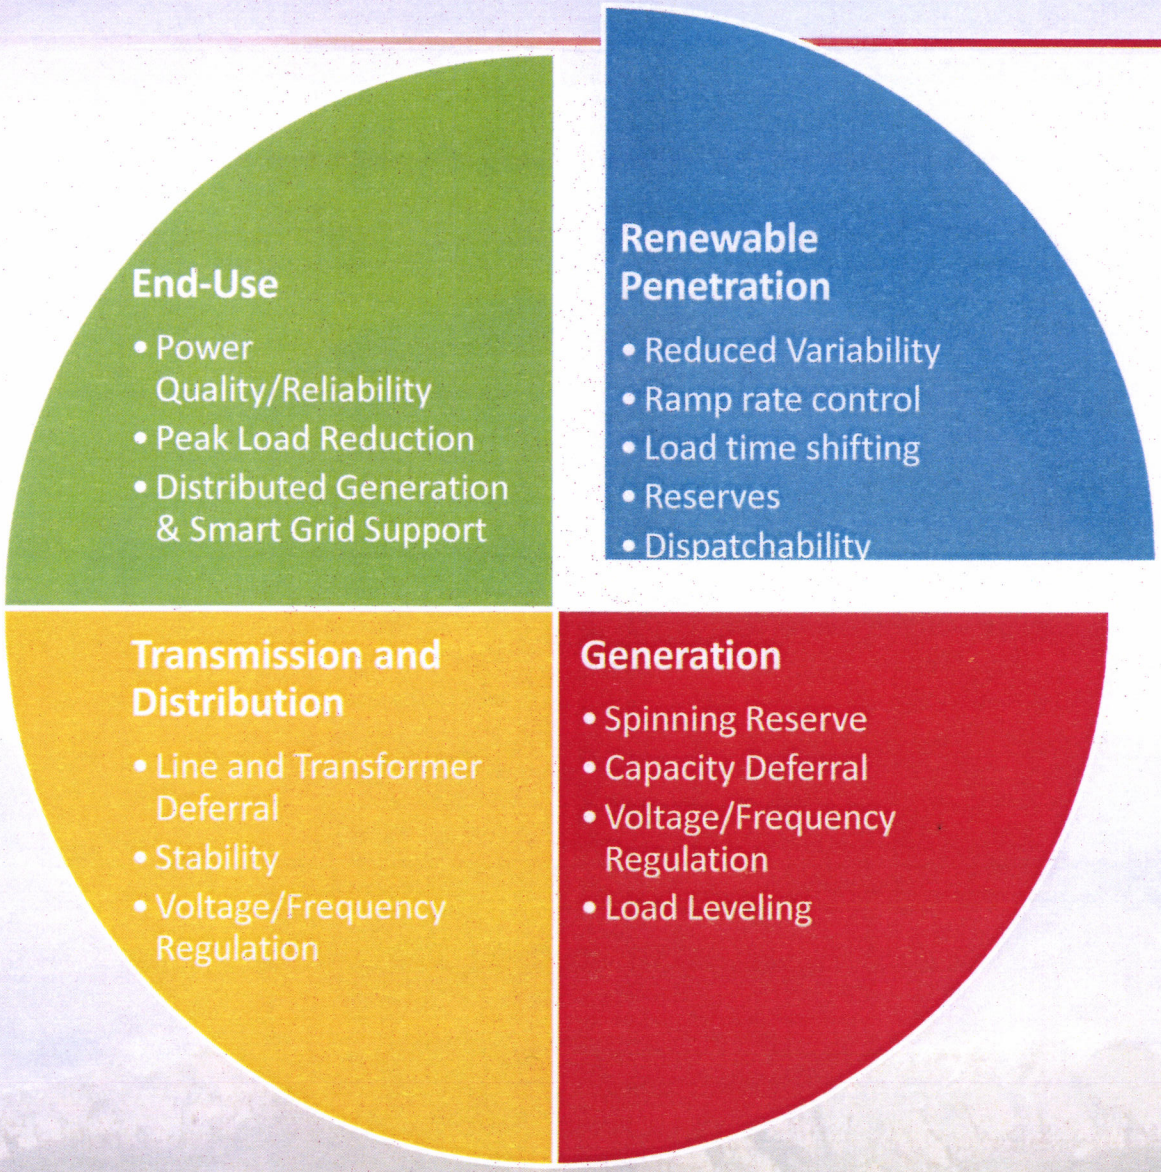
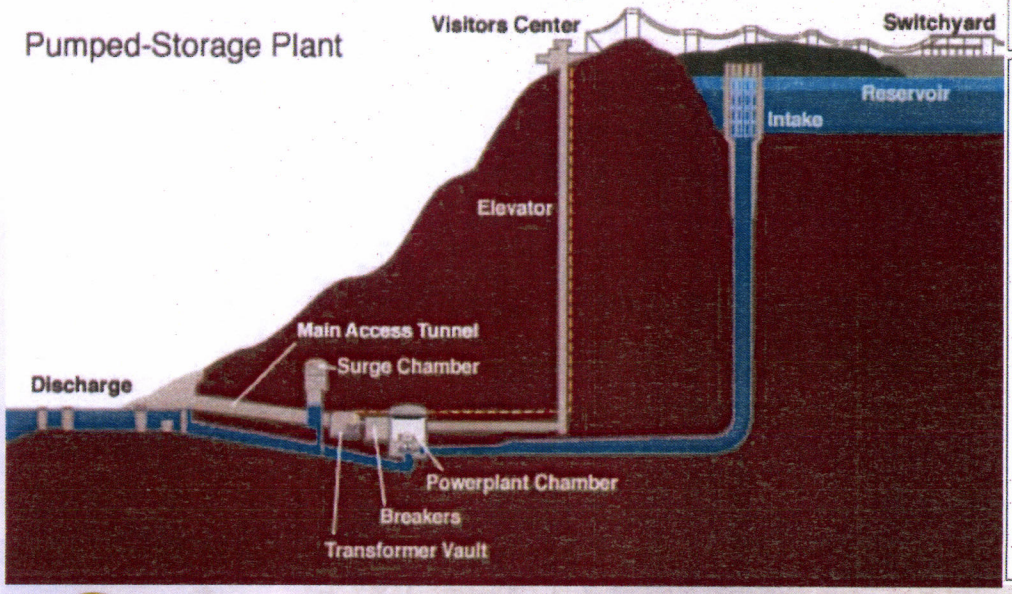
What Energy Storage Provides

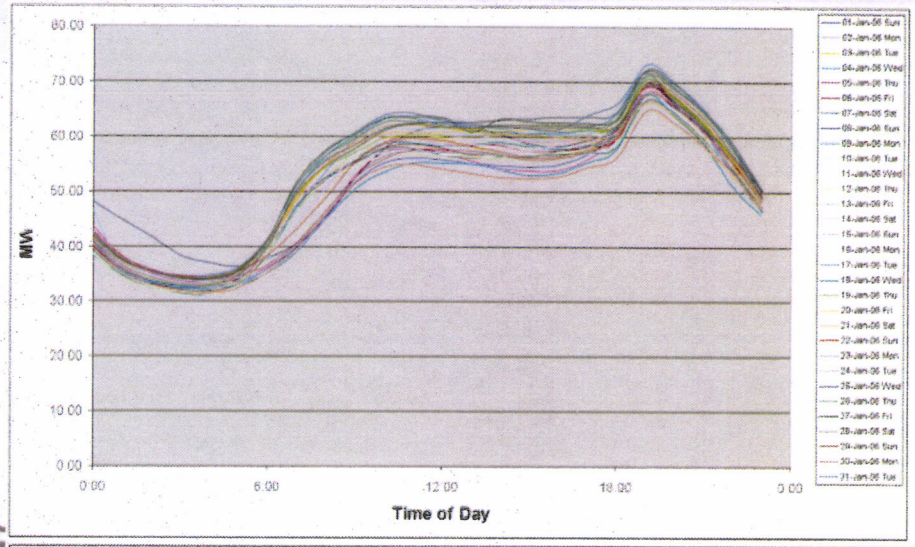


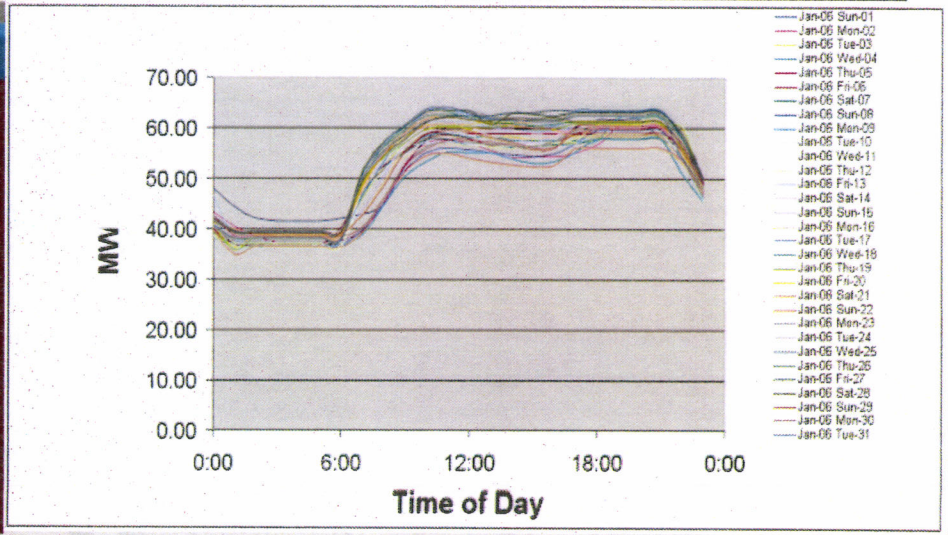
Senate Energy & Telecomm. Comm.
Exhibit No. 4
Date 1/29/13
Bill No. SB 106

Classical Application of Energy Storage

- Load Leveling or Peak Shaving
- Pumped hydro energy storage
- Widely used in Japan, Europe
- Less used in USA

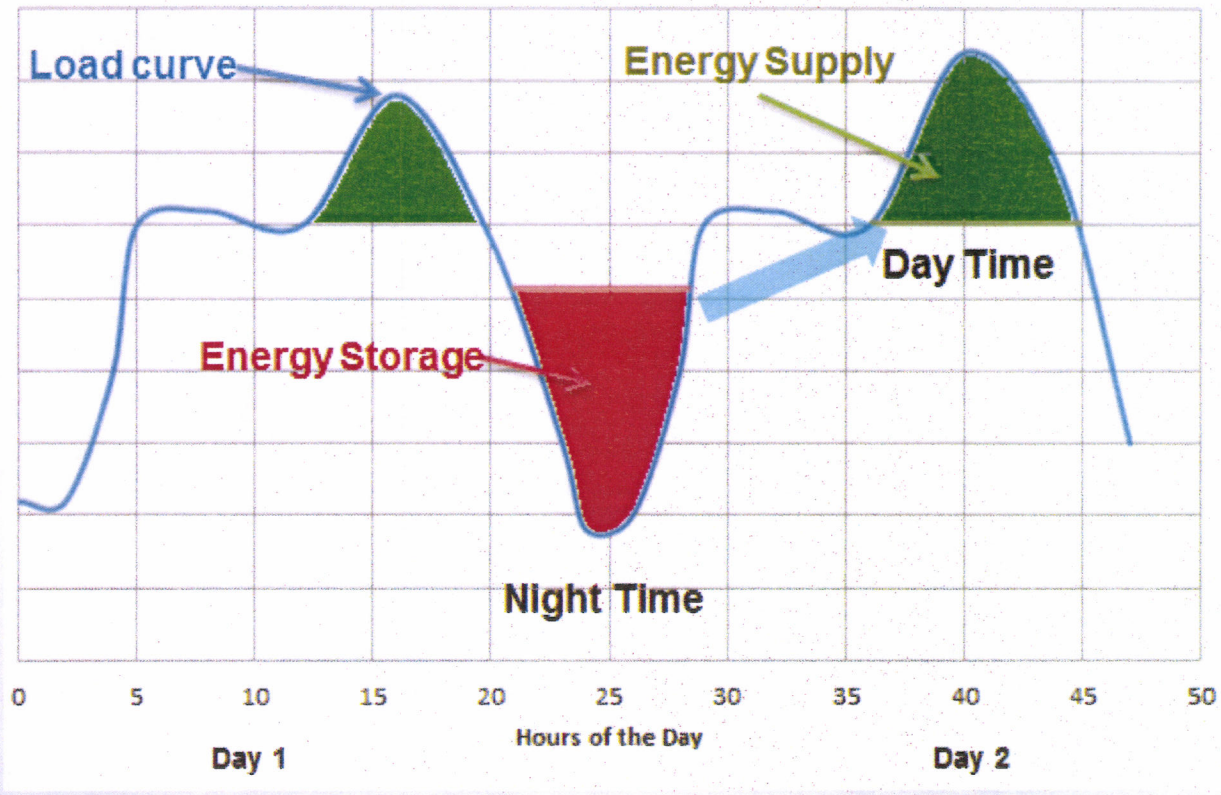






Sandia National Laboratories

Unique Feature of Energy Storage Technologies



Move energy through time to take advantage of price differentials-helps load leveling

Sandia National Laboratories
