Endorsement for the Board of Oil and Gas

April 7, 2013 7:13 PM

Mary,

I learned recently that you are being considered for an appointment to the Montana Board of Oil and Gas. As a Commissioner of Teton County and a land owner who has leased mineral rights, I think you would be an excellent choice. Not only would you be good for us in this area, but with your past experiences as Director of the DNRC, your statewide knowledge would be exceptionally beneficial.

Best wishes in your future endeavors.

Ron Ostberg
Teton County Commissioner

Dear Mary:

I was pleased to read of your possible appointment to the Oil and Gas Board. I would recommend you for this appointment, without reservation.

It has been my pleasure to work with you over the years on various local projects, as well as observing your service to Teton County as an outstanding commissioner.

The state has also been fortunate to have you head up the DNRC over the past eight years.

Mary, I can think of no one more qualified for this position than you. I look forward to conversations with you as the oil industry approaches our community.

Sincerely,

Jay Dunckel, Mayor
City of Choteau, MT

Dear Mary,

Congratulations on your appointment to the state Oil and Gas board. As a business owner in Teton County and City Councilwoman in Choteau, I know that you will be an excellent advocate for Montanans and help ensure that this state's valuable resources are managed fairly and with the long-term interests of all Montanans in mind. Along with an admirable work ethic and innovative thinking, you brought exceptional integrity to your work as our County Commissioner and as the head of the State's Department of Natural Resources. I know you will bring all these qualities to bear in your work on the Oil and Gas board.

Good luck!

Jill Owen
