Re: S.B. 108

Dear Senator Tutvedt:

On behalf of Easter Seals-Goodwill Northern Rocky Mountain and the people we serve, please accept this letter as a symbol of our full support for Senate Bill 108 to renew the Charitable Endowment Tax Credit. As a non-profit organization with a mission to serve individuals with developmental disabilities and disadvantages, we have received several endowment gifts which have assisted us in fulfilling our mission.

In Montana we currently provide services for 5,480 people and their families. As both the federal and state governments are reviewing methods to reduce spending, philanthropic gifts to non-profit organizations are becoming increasingly critical to serve those in need. All Montanans benefit by renewing the Charitable Endowment Tax Credit.

Thank you for your consideration.

Sincerely,

Michelle Belknap
President and CEO
