(2) If the professional person agrees that the person detained is a danger to the person or to others ~~because of a mental disorder~~ and that an emergency situation as defined in 53-21-102 exists, then the person may be detained and treated until the next regular business day. At that time, the professional person shall release the detained person or file findings with the county attorney who, if the county attorney determines probable cause to exist, shall file the petition provided for in 53-21-121 through 53-21-126 in the county of the respondent's residence. This determination must be made on an individual basis in each case, and the professional person at the local facility shall certify to the county attorney that the facility does not have adequate room at that time.
