19 (n) (i) property that is owned and used by a corporation or association organized and operated

 22 operated for gain or profit; and

23 (ii) property that is owned and used by an organization owning and operating facilities that are for the care

25 (o) property owned by a nonprofit corporation that is organized to provide facilities primarily for training  
 26 and practice for or competition in international sports and athletic events and that is not held or used for private  
 27 or corporate gain or profit. For purposes of this subsection (1)(o), "nonprofit corporation" means an organization  
 28 that is exempt from taxation under section 501(c) of the Internal Revenue Code and incorporated and admitted  
 29 under the Montana Nonprofit Corporation Act.

30 (2) (a) (i) For the purposes of tribal property under subsection (1)(a)(viii), the property subject to

1 exemption may not be:

2 (A) operated for gain or profit;

3 (B) held under contract to operate, lease, or sell by a taxable individual;

4 (C) used or possessed exclusively by a taxable individual or entity; or

5 (D) held by a tribal corporation except for educational purposes as provided in subsection (1)(f).

6 (ii) For the purposes of parks and recreational facilities under subsection (1)(a)(viii), the property must  
7 be:

8 (A) set aside by tribal resolution and designated as park land, not to exceed 15 acres, or be designated  
9 as a recreational facility; and

10 (B) open to the general public.

11 (b) For the purposes of subsection (1)(b), the term "clergy" means, as recognized under the federal  
12 Internal Revenue Code:

13 (i) an ordained minister, priest, or rabbi;

14 (ii) a commissioned or licensed minister of a church or church denomination that ordains ministers if the  
15 person has the authority to perform substantially all the religious duties of the church or denomination;

16 (iii) a member of a religious order who has taken a vow of poverty; or

17 (iv) a Christian Science practitioner.

18 (c) For the purposes of subsection (1)(i):

19 (i) the term "institutions of purely public charity" includes any organization that meets the following  
20 requirements:

21 (A) The organization offers its charitable goods or services to persons without regard to race, religion,  
22 creed, or gender and qualifies as a tax-exempt organization under the provisions of section 501(c)(3), Internal  
23 Revenue Code, as amended.

24 (B) The organization accomplishes its activities through absolute gratuity or grants. However, the  
25 organization may solicit or raise funds by the sale of merchandise, memberships, or tickets to public  
26 performances or entertainment or by other similar types of fundraising activities.

27 (ii) agricultural property owned by a purely public charity is not exempt if the agricultural property is used  
28 by the charity to produce unrelated business taxable income as that term is defined in section 512 of the Internal  
29 Revenue Code, 26 U.S.C. 512. A public charity claiming an exemption for agricultural property shall file annually  
30 with the department a copy of its federal tax return reporting any unrelated business taxable income received by

1 the charity during the tax year, together with a statement indicating whether the exempt property was used to  
2 generate any unrelated business taxable income.

3 (iii) up to 15 acres of property owned by a purely public charity is exempt at the time of its purchase even  
4 if the property must be improved before it can directly be used for its intended charitable purpose. If the property  
5 is not directly used for the charitable purpose within 8 years of receiving an exemption under this section or if the  
6 property is sold or transferred before it entered direct charitable use, the exemption is revoked and the property  
7 is taxable. In addition to taxes due for the first year that the property becomes taxable, the owner of the property  
8 shall pay an amount equal to the amount of the tax due that year times the number of years that the property was  
9 tax-exempt under this section. The amount due is a lien upon the property and when collected must be distributed  
10 by the treasurer to funds and accounts in the same ratio as property tax collected on the property is distributed.  
11 At the time the exemption is granted, the department shall file a notice with the clerk and recorder in the county  
12 in which the property is located. The notice must indicate that an exemption pursuant to this section has been  
13 granted. The notice must describe the penalty for default under this section and must specify that a default under  
14 this section will create a lien on the property by operation of law. The notice must be on a form prescribed by the  
15 department.

16 (iv) not more than 160 acres may be exempted by a purely public charity under any exemption originally  
17 applied for after December 31, 2004. An application for exemption under this section must contain a legal  
18 description of the property for which the exemption is requested.

19 (d) For the purposes of subsection (1)(k), the term "public museums, art galleries, zoos, and  
20 observatories" means governmental entities or nonprofit organizations whose principal purpose is to hold property  
21 for public display or for use as a museum, art gallery, zoo, or observatory. The exempt property includes all real  
22 and personal property owned by the public museum, art gallery, zoo, or observatory that is reasonably necessary  
23 for use in connection with the public display or observatory use. Unless the property is leased for a profit to a  
24 governmental entity or nonprofit organization by an individual or for-profit organization, real and personal property  
25 owned by other persons is exempt if it is:

26 (i) actually used by the governmental entity or nonprofit organization as a part of its public display;

27 (ii) held for future display; or

28 (iii) used to house or store a public display."
