12
13 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

14
15 NEW SECTION. **Section 1. Short title.** [Sections 1 through 6] may be cited as the "Trust Your Sheriff
16 Act".

17
18 NEW SECTION. **Section 2. Legislative findings.** The legislature finds and declares that:

19 (1) the supremacy clause of the United States constitution provides that federal laws are only supreme
20 if the laws are made in pursuance of the enumerated powers delegated to congress through the United States
21 constitution;

22 (2) in the dual sovereignty of federalism, the states have always retained the powers referred to as police
23 powers;

24 (3) federal laws that purport to give federal employees unrestricted and supreme police powers in this
25 state are not laws made consistent with or in pursuance of the United States constitution; and

26 (4) the United States court of appeals for the ninth circuit has held that federal employees are not exempt
27 from accountability under state criminal laws because a federal officer claims qualified immunity, because a
28 federal employee is following orders, or because a federal employee is acting in the employee's official capacity.

29
30 NEW SECTION. **Section 3. Purpose.** It is the intent of the legislature to:

- 1 (1) ensure maximum cooperation between federal employees and local law enforcement authorities;
- 2 (2) ensure that federal employees who carry out arrests, searches, and seizures in this state receive the
- 3 best local knowledge and expertise available; and
- 4 (3) prevent misadventure affecting Montana citizens and their rights that results from lack of cooperation
- 5 or communication between federal employees operating in Montana and local law enforcement authorities.

6

7 **NEW SECTION. Section 4. County sheriff's permission for federal arrests, searches, and seizures**

8 -- **exceptions.** (1) A federal employee who is not designated by Montana law as a Montana peace officer may

9 not make an arrest, search, or seizure in this state without the written permission of the sheriff or designee of the

10 sheriff of the county in which the arrest, search, or seizure will occur unless:

- 11 (a) the arrest, search, or seizure will take place on a federal enclave for which jurisdiction has been
- 12 actively ceded to the United States of America by a Montana statute;
- 13 (b) the federal employee witnesses the commission of a crime the nature of which requires an immediate
- 14 arrest;
- 15 (c) the arrest, search, or seizure is under the provisions of 46-6-411 or 46-6-412;
- 16 (d) the intended subject of the arrest, search, or seizure is an employee of the sheriff's office or is an
- 17 elected county or state officer;
- 18 (e) the federal employee has probable cause to believe that the subject of the arrest, search, or seizure
- 19 has close connections with the sheriff that are likely to result in the subject being informed of the impending
- 20 arrest, search, or seizure; or
- 21 (f) the sheriff has not invoked the authority of this section pursuant to subsection (6).

22 (2) The county sheriff or designee of the sheriff may refuse to grant permission for any reason that the

23 sheriff or designee considers sufficient.

24 (3) A federal employee who desires to exercise an exception under subsection (1)(d) shall obtain the

25 written permission of the Montana attorney general for the arrest, search, or seizure unless the resulting delay

26 in obtaining the permission would probably cause serious harm to one or more individuals or to a community or

27 would probably allow time for flight of the subject of the arrest, search, or seizure in order to avoid prosecution.

28 The attorney general may refuse to grant permission for any reason that the attorney general considers sufficient.

29 (4) A federal employee who desires to exercise an exception under subsection (1)(e) shall obtain the

30 written permission of the Montana attorney general. The request for permission must include a written statement,

1 under oath, describing the federal employee's probable cause. The attorney general may refuse to grant
2 permission for any reason that the attorney general considers sufficient.

3 (5) (a) A permission request to the county sheriff or Montana attorney general must contain:

4 (i) the name of the subject of the arrest, search, or seizure;

5 (ii) a clear statement of probable cause for the arrest, search, or seizure or a federal arrest, search, or
6 seizure warrant that contains a clear statement of probable cause;

7 (iii) a complete statement that particularly describes the place to be searched, the things to be searched
8 for, and the persons or things to be seized;

9 (iv) a statement of the date and time that the arrest, search, or seizure is to occur; and

10 (v) the address or location where the intended arrest, search, or seizure will be attempted.

11 (b) To constitute valid permission, the request may be in letter form, either typed or handwritten, but must
12 be countersigned with the original signature of the county sheriff or designee of the sheriff or by the Montana
13 attorney general. The written permission is valid for 48 hours after it is signed. The sheriff or attorney general shall
14 keep a copy of the permission request on file.

15 (6) (a) At the sheriff's discretion, a sheriff may elect not to implement the provisions of this section or may
16 elect to implement the provisions of this section for one or more specifically identified federal employees, all
17 federal employees of a specified federal agency, or all federal employees. If a sheriff elects to implement the
18 provisions of this section, the sheriff must provide notice to the affected federal employees as follows:

19 (i) in person by verbal notice to the affected federal employee; or

20 (ii) in writing by certified mail to the United States attorney for the district of Montana.

21 (b) If notice is provided in person to the affected federal employee, the sheriff shall file the notice with
22 the appropriate dispatch service as soon as practicable. The notice is effective immediately and continues until
23 the sheriff revokes the notice.

24 (c) If notice is provided to the United States attorney for the district of Montana, the notice is effective
25 1 week after the notice is postmarked and continues until the sheriff revokes the notice.

26
27 **NEW SECTION. Section 5. Remedies.** (1) An arrest, search, or seizure or attempted arrest, search,
28 or seizure in violation of [section 4] is unlawful, and the persons involved may be prosecuted by the county
29 attorney for kidnapping if an arrest or attempted arrest occurs, for trespass if a search or attempted search
30 occurs, for theft if a seizure or attempted seizure occurs, and for any applicable homicide offense if loss of life

1 occurs. The persons involved may also be charged with any other applicable criminal offense in Title 45.

2 (2) To the extent possible, the victims' rights provisions of Title 46 must be extended to the victim or
3 victims by the persons and entities involved in a prosecution.

4 (3) The county attorney may prosecute once a claim of violation of [section 4] has been made by the
5 county sheriff or designee of the sheriff.

6
7 **NEW SECTION. Section 6. Invalid federal laws.** Pursuant to the 10th amendment to the United States
8 constitution and this state's compact with the other states, the legislature declares that any federal law purporting
9 to give federal employees the authority of a county sheriff in this state is not recognized by and is specifically
10 rejected by this state and is declared to be invalid in this state.

11
12 **Section 7.** Section 7-32-2121, MCA, is amended to read:

13 **"7-32-2121. Duties of sheriff -- chief law enforcement officer.** The sheriff is the chief law enforcement

28 (8) endorse upon all notices and process the year, month, day, hour, and minute of receipt and issue

- 1 (9) serve all process or notices in the manner prescribed by law;
