RE: Stillwater County Supports HB 235

Distinguished Chair and Members:

Stillwater County **supports HB 235** because it adjusts the allocation of the Metalliferous Mines Licenses Taxes to the county experiencing fiscal and economic impact for an approved large-scale mineral development. The increased allocation of money to a county in this bill would be used for the hard-rock mine trust account, planning and economic development, and schools.

Stillwater County asks the committee to **Do Pass HB 235** as **originally proposed** by Representative Lynch.

Sincerely,

BOARD OF COMMISSIONERS

Chair Nancy Ballance
Members of the House Appropriations Committee

Committee Members:

On Thursday February 12, during the hearing for HB 4, Representative Holmlund requested a list of all the projects/grants included in the bill, their funding source, and amount. Please refer to the attached list which includes:

- Agency (Business Unit) Number
- Agency Name
- Fund Type
- Description of the project/grant
    - If this description begins with the words "LINE ITEM", this means the entire dollar amount of the grant is listed in the bill.
    - If the description does not begin with the words "LINE ITEM", this means the amount shown is the unexpended balance of the appropriation as of Feb 9, 2015.

The items highlighted in blue on the attachment indicate items that were not known about at the time that the introduced version of the bill was prepared. They may have been processed in accordance with the statute between mid-November and January 1 or they may have been received after the legislature has been in session.

As noted in my testimony for the bill, all appropriations included in HB 4 have been established or are being requested in accordance with the specific set of requirements outlined in Title 17, Chapter 7, Part 4.

If you have any questions regarding any specific item on the list or regarding the budget amendment process in general, please don't hesitate to contact me. [asassano@mt.gov; 406-444-0619, or Room 251B in the Capitol building]

Sincerely,

Amy Sassano
Deputy Budget Director
