Section 4. Section 20-5-407, MCA, is amended to read:

"20-5-407. Rulemaking. Consistent with age and spacing recommendations of the United States centers for disease control and prevention's advisory committee on immunization practices, the department may shall adopt rules necessary to implement the provisions of this part, including but not limited to the following:

- (1) rules identifying diseases for which immunization is required;
- (2) rules specifying the manner in which immunizations are administered; and
- (3) rules providing for conditional attendance."
