Subject: Note to House Jidiciary members

Ms. Chambers,
Please distribute this to the Chairman and committee members. Thank You.

Mr. Chairman and members of the House Judiciary Committee,
On Feb. 9, appearing as the representative for the Alliance of Automobile Manufacturers, I testified in favor of HB345, the Event Data Recorder bill, and stated that accessing data from these devices requires equipment available only at auto dealerships.

I learned by happenstance on Feb. 10 in a conversation with a Helena Police officer, that my statement was not accurate, and I want to correct it. Some law enforcement agencies recently have been able to purchase versions of this equipment that can be used to access this data.

I was not aware of that at the time I testified and felt it was important to correct the record. Please feel free to contact me if you have any questions.
