Re: Testimony in support of HB 477

Mr. Chairman and members of the committee, my name is Matt Brower [B R O W E R] and I currently serve as the Executive Director of the Montana Catholic Conference. The Montana Catholic Conference serves as the public policy arm of the Roman Catholic Church in Montana and I speak on behalf of the two Roman Catholic bishops in Montana from the Diocese of Helena and the Diocese of Great Falls-Billings.

I am here today to voice our support for House Bill 477.

The Montana Catholic Conference remains steadfast in our opposition to physician-assisted suicide and therefore strongly support House Bill 477. Assisted suicide represents misguided public policy, which would have detrimental implications for all of society.

There has been much confusion about the state of the law regarding physician-assisted suicide in Montana following the decision in *Baxter v. Montana*. While there are those who argue that assisted suicide is legal in our state, we disagree. With House Bill 477 you have the opportunity to clarify that Montana law prohibits physician-assisted suicide.

For many of the reasons that you have heard or will hear today we stand in strong support of House Bill 477 which will help make it clear that Montana does not all allow physician-assisted suicide. Mr. Chairman and members of the committee, on behalf of the Montana Catholic Conference, I urge a "do pass" and thank you for your time.
