Dear Members of the House Judiciary Committee,

My name is Raegan Taylor. I am 9 years old and live outside Montana City. I will turn 10 in May.

I have been hunting with my parents since I was little. My first duck blind hunting trip was when I was three and a half years old. This is my picture of that trip. I went on my first deer hunt when I was 5. When we go to the ranch, we sometimes hunt pheasants. It is fun to walk along and watch the dogs scare up pheasants.

My sister and I go shoot with my Dad at the range shooting different rifles. I have shot my sister's youth .243 rifle – sometimes better than her.

I support SB 395 because it lets my parents and me decide whether or not I am ready to go hunting this fall. Hunting is something we enjoy as a family, and this bill will allow me to participate this fall if I want to. And right now, I want to go hunting. Please vote for SB 395.

Thank you.

Raegan Taylor
