

EXHIBIT 11
DATE 4/8/15
SB 395

April 8, 2015

Dear Members of the House Judiciary Committee,

My name is Morgan Taylor. I am 14 years old and live in Montana City. I am supporting SB 395 because it allows me to participate in the youth hunt up until I turn 18 years of age.

I have been hunting with my Dad and friends for the past 3 years. Each opening day of the youth season, I have successfully harvested a nice mule deer buck. Being able to participate in the youth deer weekend is important to give us young hunters an opportunity to hunt without competing with as many hunters. It is a lot less stressful and makes us kids feel special. This time of year is special for me and my Dad.

Thank you and please vote for SB 395.

Morgan Taylor
