MONTANA VETERANS MEMORIAL

The dream to build a memorial to honor veterans has become a reality. No other memorial exists in North Central Montana that honors men and women veterans of all services, including those of the National Guard, Reserves, Coast Guard and Merchant Marine. A portion of the memorial has been dedicated to those Montana veterans who have been awarded the Congressional Medal of Honor.

For a stated donation to the memorial, a commemorative tile displaying the veteran's name and branch of military will be placed in the memorial wall. The Montana Veterans memorial shows the appreciation our community has for the many proud Montana's who have served our country in uniform, often paying the ultimate sacrifice in defense of our country.
