WHAT'S NEW - doj.mt.gov/driving

LICENSE PLATE REPLACEMENT: State law requires that license plates be replaced every five years, with the exception of plates on permanently-registered vehicles. This requirement applies to standard, personalized, collegiate, and amateur radio plates. This year, we will begin replacing license plates issued in 2009 or before. As license plates age, their reflectivity decreases and they are less visible at night. The ability to see and read license plates is a matter of public safety. Your plate issue date is listed above in VEHICLE INFORMATION. When the plates on this vehicle need replacement, there will be a message in the SPECIAL ACTION REQUIRED box to the right.

MONTANA INSURANCE VERIFICATION PROGRAM (MTIVS): Drivers must show proof of insurance when stopped for a traffic violation. Law enforcement can use MTIVS during traffic stops to confirm that the insurance card is valid.

SPECIAL ACTION REQUIRED

- Your license plates must be replaced. New plates (same design) will be mailed with a registration tab. If you want to keep the same plate number you have now (additional \$15) or select a new design, renew at your County Treasurer Office.

ADDITIONAL REGISTRATION INFORMATION
