SENATE JUDICIARY

Exhibit No. 13

Date 1/30/15

Bill No. SB179

to: Montana Senate Judiciary Committee
PO Box 200400
Helena, MT 59620

subject: Senate Bill 179 (Statewide version of sexual identity "discrimination" ordinance)

Thank you for taking my comments. I wish you to know I pray every morning and every evening for you that God Almighty would guide you.

That being said, I respectfully request you table this unnecessary and premature bill. As you are aware, the U.S. Supreme Court will hear the issue of homosexual marriage this term and give us a ruling this summer. Neither you nor I know the Supreme Court outcome so why this exercise in futility?

Please, Montana has spoken legally, loudly and clearly by passing our own version of the Defense of Marriage Act. Uphold the law.

In regard to homosexual "discrimination" laws, I'm sure you are also aware of the use of such laws to force Christians and members of other faiths to participate against their faith in homosexual weddings as well as force school etc. to allow those confused as to their anatomy to use opposite sex public restrooms. Once again I respectfully request you table this bad law.

God loves you (John 3:16),

Pat Plowman
