Testimony in support **SB179** sponsored by Sen. Christine Kaufmann

**Big Sky Pride**, which this year is celebrating the 20th anniversary of the first Pride celebration in Montana, which was held here in Helena, is strongly in support of SB176, and extends our massive thanks to Senator Kaufmann for sponsoring this bill. It shouldn't be contentious, yet sadly, it still is. There are those that vilify and denigrate members of the LGBTQ communities, and scapegoat us to their own nefarious ends. It's wrong, and the result of their activities is that our community is actively targeted, actively discriminated against, and has to actively fight back.

Discrimination against anyone for their sexuality or gender expression is not only wrong, it destroys far too many, who become ostracized instead of celebrated, demeaned instead of upheld, and marginalized instead of allowing them to truly add to the wonderful tapestry that is our humanity.

Protections such as these aren't a fight on religious liberties any more than not allowing slavery, human sacrifice or forced marriage is an infringement on religious liberty. We strongly support this bill, and urge a Do-pass.
