SENATE JUDICIARY
Exhibit No. 3
Date: 2/19/15
Bill No. SB 274

KEEP PUBLIC LANDS PUBLIC.

Our public lands belong to all Americans. Those lands are under threat at the Montana State Legislature.

Stand with us in the State Capitol to let our elected officials know that we demand public lands stay in public hands and that we reject any efforts to take those lands away from us.

MONTANA'S OUTDOOR HERITAGE IS NOT FOR SALE.

Backed by out-of-state charlatans and extremist think tanks, a radical group of legislators want to evict us from our public lands. They have been building a legislative plan, hosting public forums, and traveling across the West to push their agenda of transferring public lands to the state so they can be sold off to the highest bidder. These lawmakers are already working on dozens of bills at the legislature designed to do just that.

Their agenda strikes at our outdoor heritage and our outdoor way of life.

Join with fellow Montanans from across the state in demanding that our elected officials quash this destructive agenda and keep public lands in public hands.

Buses will be traveling from Missoula, Great Falls, Butte, Bozeman, Livingston, and Billings.
