9 rule. A person who has purchased a conservation license and a resident fishing license or game bird license for
10 a particular license year and who is subsequently certified as disabled is entitled to a refund for the fishing license
11 or game bird license previously purchased for that license year. A person who is certified as disabled pursuant
12 to subsection (3) and who was issued a permit to hunt from a vehicle for license year 2014 or a subsequent
13 license year is automatically entitled to a permit to hunt from a vehicle for subsequent license years if the criteria
14 for obtaining a permit does not change.

28 where hunting is permitted; or

29 (iii) an off-highway vehicle or snowmobile, as defined in 61-1-101, in any area where hunting is permitted
30 and that is open to motorized use, unless otherwise prohibited by law, as long as the off-highway vehicle or

1 snowmobile is marked as described in subsection (4)(d) of this section.

2 (b) This subsection (4) does not allow a permitholder to shoot across the roadway of any public highway
3 or to hunt on private property without permission of the landowner.

4 (c) A permitholder must have a companion to assist in immediately dressing any killed big game animal.
5 The companion may also assist the permitholder by hunting a big game animal that has been wounded by the
6 permitholder when the permitholder is unable to pursue and kill the wounded big game animal.

7 (d) Any vehicle from which a permitholder is hunting must be conspicuously marked with an

13 one-half the license fee. Fifty licenses of each license type must be made available annually. Licenses issued
14 to veterans or disabled members of the armed forces under this part do not count against the number of special
15 antelope licenses reserved for people with permanent disabilities, as provided in 87-2-706.

16 (6) (a) A resident of Montana who is certified by the department as experiencing blindness, as defined
17 in 53-7-301, may be issued a lifetime fishing license for the blind upon payment of a one-time fee of \$10. The
18 license is valid for the lifetime of the blind individual and allows the licensee to fish as authorized by department
19 rule. An applicant for a license under this subsection need not obtain a wildlife conservation license as a
20 prerequisite to licensure.

21 (b) A person who is certified by the department as experiencing blindness, as defined in 53-7-301, may

28 other marker. The tag, coupon, or other marker must be kept attached to the carcass as long as any considerable
29 portion of the carcass remains unconsumed. When a big game animal has been lawfully killed and the proper
30 tag, coupon, or other marker is attached to the big game animal that was killed, the big game animal becomes

1 the property of the person who lawfully killed the animal and may be possessed, used, stored, donated to another

6 game animal or portion of the big game animal.

7 (3) A person may not fail to keep the tag, coupon, or other marker attached to the big game animal or
8 portion of the big game animal while the animal is possessed by the person.

9 (4) A person may not tag a big game animal with a tag restricted to a hunting district other than the
10 hunting district where the big game animal was killed.

11 (5) A person convicted of a violation of this section shall be fined not less than \$50 or more than \$1,000
12 or be imprisoned in the county detention center for not more than 6 months, or both. In addition, the person, upon
13 conviction or forfeiture of bond or bail, may be subject to forfeiture of any current hunting, fishing, or trapping
