1 operated for gain or profit; and

2 (ii) subject to subsection (2)(e), property that is owned and used by an organization owning and operating  
3 facilities that are for the care of the retired, aged, or chronically ill and that are not operated for gain or profit;

4 (o) property owned by a nonprofit corporation that is organized to provide facilities primarily for training  
5 and practice for or competition in international sports and athletic events and that is not held or used for private  
6 or corporate gain or profit. For purposes of this subsection (1)(o), "nonprofit corporation" means an organization  
7 that is exempt from taxation under section 501(c) of the Internal Revenue Code and incorporated and admitted  
8 under the Montana Nonprofit Corporation Act.

9 (p) property rented or leased to a municipality or taxing unit for less than \$100 a year and that is used  
10 for public park, recreation, or landscape beautification purposes. For the purposes of this subsection (1)(p),  
11 "property" includes land but does not include buildings. The exemption must be applied for by the municipality  
12 or taxing unit, and not more than 10 acres within the municipality or taxing unit may be exempted.

13 (2) (a) (i) For the purposes of tribal property under subsection (1)(a)(viii), the property subject to  
14 exemption may not be:

15 (A) operated for gain or profit;

16 (B) held under contract to operate, lease, or sell by a taxable individual;

17 (C) used or possessed exclusively by a taxable individual or entity; or

18 (D) held by a tribal corporation except for educational purposes as provided in subsection (1)(f).

19 (ii) For the purposes of parks and recreational facilities under subsection (1)(a)(viii), the property must  
20 be:

21 (A) set aside by tribal resolution and designated as park land, not to exceed 640 acres, or be designated  
22 as a recreational facility; and

23 (B) open to the general public.

24 (b) For the purposes of subsection (1)(b), the term "clergy" means, as recognized under the federal  
25 Internal Revenue Code:

26 (i) an ordained minister, priest, or rabbi;

27 (ii) a commissioned or licensed minister of a church or church denomination that ordains ministers if the  
28 person has the authority to perform substantially all the religious duties of the church or denomination;

29 (iii) a member of a religious order who has taken a vow of poverty; or

30 (iv) a Christian Science practitioner.

1 (c) For the purposes of subsection (1)(i):

2 (i) the term "institutions of purely public charity" includes any organization that meets the following  
3 requirements:

4 (A) The organization offers its charitable goods or services to persons without regard to race, religion,  
5 creed, or gender and qualifies as a tax-exempt organization under the provisions of section 501(c)(3), Internal  
6 Revenue Code, as amended.

7 (B) The organization accomplishes its activities through absolute gratuity or grants. However, the  
8 organization may solicit or raise funds by the sale of merchandise, memberships, or tickets to public  
9 performances or entertainment or by other similar types of fundraising activities.

10 (ii) agricultural property owned by a purely public charity is not exempt if the agricultural property is used  
11 by the charity to produce unrelated business taxable income as that term is defined in section 512 of the Internal  
12 Revenue Code, 26 U.S.C. 512. A public charity claiming an exemption for agricultural property shall file annually  
13 with the department a copy of its federal tax return reporting any unrelated business taxable income received by  
14 the charity during the tax year, together with a statement indicating whether the exempt property was used to  
15 generate any unrelated business taxable income.

16 (iii) up to 15 acres of property owned by a purely public charity is exempt at the time of its purchase even  
17 if the property must be improved before it can directly be used for its intended charitable purpose. If the property  
18 is not directly used for the charitable purpose within 8 years of receiving an exemption under this section or if the  
19 property is sold or transferred before it entered direct charitable use, the exemption is revoked and the property  
20 is taxable. In addition to taxes due for the first year that the property becomes taxable, the owner of the property  
21 shall pay an amount equal to the amount of the tax due that year times the number of years that the property was  
22 tax-exempt under this section. The amount due is a lien upon the property and when collected must be distributed  
23 by the treasurer to funds and accounts in the same ratio as property tax collected on the property is distributed.  
24 At the time the exemption is granted, the department shall file a notice with the clerk and recorder in the county  
25 in which the property is located. The notice must indicate that an exemption pursuant to this section has been  
26 granted. The notice must describe the penalty for default under this section and must specify that a default under  
27 this section will create a lien on the property by operation of law. The notice must be on a form prescribed by the  
28 department.

29 (iv) not more than 160 acres may be exempted by a purely public charity under any exemption originally  
30 applied for after December 31, 2004. An application for exemption under this section must contain a legal

1 description of the property for which the exemption is requested.

2 (d) For the purposes of subsection (1)(k), the term "public museums, art galleries, zoos, and  
3 observatories" means governmental entities or nonprofit organizations whose principal purpose is to hold property  
4 for public display or for use as a museum, art gallery, zoo, or observatory. The exempt property includes all real  
5 and personal property owned by the public museum, art gallery, zoo, or observatory that is reasonably necessary  
6 for use in connection with the public display or observatory use. Unless the property is leased for a profit to a  
7 governmental entity or nonprofit organization by an individual or for-profit organization, real and personal property  
8 owned by other persons is exempt if it is:

9 (i) actually used by the governmental entity or nonprofit organization as a part of its public display;

10 (ii) held for future display; or

11 (iii) used to house or store a public display.

12 (e) For the purposes of facilities for the care of the retired, aged, or chronically ill under subsection  
13 (1)(n)(ii), the terms "retired" and "aged" mean an individual who satisfies the age and gross household income  
14 limitations of 15-30-2338. The property owner shall verify age and gross household income requirements on a  
15 form prescribed by the department. Applicants are subject to the false swearing penalties established in  
16 45-7-202."
