13 state; and14 WHEREAS, 15 of these flags have the state's coat of arms or the seal on a blue background, which
15 makes them difficult to distinguish; and16 WHEREAS, in 2001, the North American Vexillological Association, an organization devoted to the
17 study of flags, ranked Montana's flag as the third worst flag design of all the state and provincial flags in the
18 United States and Canada; and

19 WHEREAS, the state seal of Montana is difficult for school children to draw; and

20 WHEREAS, Montana has countless natural resources, geologic wonders, diverse landscapes, and
