6

7 **NEW SECTION. Section 2. Driving under influence.** (1) A person commits the offense of driving
8 under the influence if the person drives or is in actual physical control of:

9 (a) a vehicle or a commercial motor vehicle upon the ways of this state open to the public while under
10 the influence of alcohol, any drug, or a combination of alcohol and any drug;

11 (b) a noncommercial vehicle upon the ways of this state open to the public while the person's alcohol
12 concentration, as shown by analysis of the person's blood, breath, or other bodily substance, is 0.08 or more;

13 (c) a commercial motor vehicle within this state while the person's alcohol concentration, as shown by
14 analysis of the person's blood, breath, or other bodily substance, is 0.04 or more;

15 (d) a noncommercial vehicle or commercial motor vehicle within this state while the person's delta-9-
16 tetrahydrocannabinol level, excluding inactive metabolites, as shown by analysis of the person's blood or other
17 bodily substance, is 5 ng/ml or more; or

18 (e) a vehicle within this state when the person is under 21 years of age at the time of the offense
19 while the person's alcohol concentration, as shown by analysis of the person's blood, breath, or other bodily
20 substance, is 0.02 or more.

21 (2) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been
22 committed by any person driving or in actual physical control of a vehicle while under the influence of alcohol,
23 the concentration of alcohol in the person at the time of a test, as shown by analysis of a sample of the person's
24 blood, breath, or other bodily substance drawn or taken within a reasonable time after the alleged act, gives rise
25 to the following inferences:

26 (a) if there was at that time an alcohol concentration of 0.04 or less, it may be inferred that the person
27 was not under the influence of alcohol;

28 (b) if there was at that time an alcohol concentration in excess of 0.04 but less than 0.08, that fact

1 may not give rise to any inference that the person was or was not under the influence of alcohol, but the fact
2 may be considered with other competent evidence in determining the guilt or innocence of the person; and

3 (c) if there was at that time an alcohol concentration of 0.08 or more, it may be inferred that the
4 person was under the influence of alcohol. The inference is rebuttable.

5 (3) The provisions of subsection (2) do not limit the introduction of any other competent evidence
6 bearing on the issue of whether the person was under the influence of alcohol, drugs, or a combination of
7 alcohol and drugs.

8 (4) Each municipality in this state is given authority to enact this section, with the word "state"
9 changed to read "municipality", as an ordinance and is given jurisdiction of the enforcement of the ordinance
10 and the imposition of the fines and penalties provided in the ordinance.

11 (5) Absolute liability, as provided in 45-2-104, is imposed for a violation of this section.

12 (6) When the same acts may establish the commission of an offense under subsection (1), a person
13 charged with the conduct may be prosecuted for a violation of another relevant subsection under subsection
14 (1). However, the person may be convicted of only one offense under this section or of a similar offense under
15 previous laws of this state.

16

4 counselor or a program approved by the department of public health and human services.

5 (5) The treatment provided to the defendant at a treatment program must be at a level appropriate to
6 the defendant's alcohol or drug problem, or both, as determined by a licensed addiction counselor pursuant to
7 diagnosis and patient placement rules adopted by the department of public health and human services. The
8 rules must include evidence-based treatment programs or courses approved by the department that are likely
9 to reduce recidivism. Upon determination, the court shall order the defendant's appropriate level of treatment. If
10 more than one counselor makes a determination as provided in this subsection, the court shall order an
11 appropriate level of treatment based on the determination of one of the counselors.

12 (6) Each counselor providing education or treatment shall, at the commencement of the education or
13 treatment, notify the court that the defendant has been enrolled in a chemical dependency education course or
14 treatment program. If the defendant fails to attend the course or treatment program, the counselor shall notify
15 the court of the failure.

16 (7) A court or counselor may not require attendance at a self-help program other than at an open
17 meeting, as that term is defined by the self-help program. A defendant may voluntarily participate in self-help
18 programs.

19 (8) (a) Chemical dependency treatment must be ordered for a first-time or second-time offender
20 convicted of a violation of driving under the influence, including [section 2], an offense that meets the definition
21 of aggravated driving under the influence in [section 1], or a similar offense under previous laws of this state or
22 the laws of another state, upon a finding of moderate or severe alcohol or drug use disorder made by a licensed
23 addiction counselor pursuant to diagnosis and patient placement rules adopted by the department of public
24 health and human services.

25 (b) If treatment is ordered under subsection (8)(a) for a first-time offender, the offender may not also
26 be required to attend a chemical dependency education course.

27 (9) (a) On a second or subsequent conviction, the treatment program provided for in subsection (5)
28 must be followed by monthly monitoring for a period of at least 1 year from the date of admission to the

1 program.

2 (b) If a defendant fails to comply with the monitoring program imposed under subsection (9)(a), the
3 court shall revoke the suspended sentence, if any, impose any remaining portion of the suspended sentence,
4 and may include additional monthly monitoring for up to an additional 1 year.

5 (10) Notwithstanding 46-18-201(2), whenever a judge suspends a sentence imposed under [section 3]
6 and orders the person to complete chemical dependency treatment under this section, the judge retains
7 jurisdiction to impose any suspended sentence for up to 1 year.

8

9 **NEW SECTION. Section 6. Driving under influence -- ignition interlock device -- 24/7 sobriety**

10 **and drug monitoring program.** (1) For a person convicted of a first offense of driving under the influence,
11 driving under the influence, including [section 2], an offense that meets the definition of aggravated driving
12 under the influence in [section 1], or a similar offense under the laws of another state, in addition to the
13 punishments listed in [section 3], the court may, regardless of disposition and if a probationary license is
14 recommended by the court, require the person to comply with the conditions listed in subsection (2)(a) or (2)(b).

15 (2) On a second or subsequent conviction for a violation of driving under the influence, including
16 [section 2], an offense that meets the definition of aggravated driving under the influence in [section 1], or a
17 similar offense under the laws of another state, or a second or subsequent conviction under 61-5-212 when the
18 reason for the suspension or revocation was that the person was convicted of a violation of driving under the
19 influence, including [section 2], an offense that meets the definition of aggravated driving under the influence in
20 [section 1], or a similar offense under previous laws of this state or the laws of another state, or the suspension
21 was under [section 8] or a similar law of another state for refusal to take a test for alcohol or drugs requested by
22 a peace officer who believed that the person might be driving under the influence, in addition to the
23 punishments listed in [section 2] and [section 3], the court shall require the person:

24 (a) to participate in the 24/7 sobriety and drug monitoring program provided for in 44-4-1203 or
25 require the person to participate in a court-approved alcohol or drug detection testing program and to pay the
26 fees associated with the program;

27 (b) if recommending that a probationary license be issued to the person, restrict the person to driving
28 only a motor vehicle equipped with a functioning ignition interlock device during the probationary period and

1 require the person to pay the reasonable cost of leasing, installing, and maintaining the device; or

2 (c) order that each motor vehicle owned by the person at the time of the offense be seized and
3 subjected to the forfeiture procedure provided under [section 17].

4 (i) A vehicle used by a person as a common carrier in the transaction of business as a common
5 carrier is not subject to forfeiture unless it appears that the owner or other person in charge of the vehicle
6 consented to or was privy to the violation. A vehicle may not be forfeited under this section for any act or
7 omission established by the owner to have been committed or omitted by a person other than the owner while
8 the vehicle was unlawfully in the possession of a person other than the owner in violation of the criminal laws of
9 this state or the United States.

10 (ii) Forfeiture of a vehicle encumbered by a security interest is subject to the secured person's interest
11 if the person did not know and could not have reasonably known of the unlawful possession, use, or other act
12 on which the forfeiture is sought.

13

14 **NEW SECTION. Section 7. Driving under influence -- conviction defined -- place of**
15 **imprisonment -- home arrest -- exceptions -- deferral of sentence not allowed.** (1) (a) For the purpose of
16 determining the number of convictions for prior offenses referred to in [sections 1 through 4], "conviction"
17 means:

18 (i) a final conviction, as defined in 45-2-101, in this state, in another state, or on a federally recognized
19 Indian reservation;

20 (ii) a forfeiture, which has not been vacated, of bail or collateral deposited to secure the defendant's
21 appearance in court in this state, in another state, or on a federally recognized Indian reservation; or

22 (iii) a conviction for a violation of driving under the influence, including [section 2(1)(a), (1)(b), (1)(c), or
23 (1)(d)], an offense that meets the definition of aggravated driving under the influence in [section 1], or a similar
24 offense under previous laws of this state or the laws of another state, or a violation of a similar statute or
25 regulation in another state or on a federally recognized Indian reservation.

26 (b) An offender is considered to have been previously convicted for the purposes of sentencing if less
27 than 10 years have elapsed between the commission of the present offense and a previous conviction unless
28 the offense is the offender's third or subsequent offense, in which case all previous convictions must be used

1 for sentencing purposes.

2 (c) A previous conviction for a violation of driving under the influence, including [section 2(1)(a), (1)(b),
3 (1)(c), or (1)(d)], an offense that meets the definition of aggravated driving under the influence in [section 1], or
4 a similar offense under previous laws of this state or the laws of another state, or a violation of a similar statute
5 or regulation in another state or on a federally recognized Indian reservation, and as otherwise defined in
6 subsection (1)(a) may be counted for the purposes of determining the number of a subsequent conviction for a
7 violation of driving under the influence under [section 2].

8 (d) A previous conviction for a violation of 45-5-104 for which the offense under 45-5-104 occurred
9 while the person was operating a vehicle in violation of driving under the influence, including [section 2(1)(a),
10 (1)(b), (1)(c), or (1)(d)], an offense that meets the definition of aggravated driving under the influence in [section
11 1], or a similar offense under previous laws of this state or the laws of another state, and a previous conviction
12 for a violation of 45-5-205 or 45-5-628(1)(e) may also be counted for the purposes of determining the number of
13 a subsequent conviction for a violation of driving under the influence under [section 2].

14 (2) Except as provided in [section 4], the court may order that a term of imprisonment imposed under
15 [section 3 or 4] be served in another facility made available by the county and approved by the sentencing
16 court. The defendant, if financially able, shall bear the expense of the imprisonment in the facility. The court
17 may impose restrictions on the defendant's ability to leave the premises of the facility and may require that the
18 defendant follow the rules of the facility. The facility may be, but is not required to be, a community-based
19 prerelease center as provided for in 53-1-203. The prerelease center may accept or reject a defendant referred
20 by the sentencing court.

21 (3) Subject to the limitations set forth in [section 3] concerning minimum periods of imprisonment, the
22 court may order that a term of imprisonment imposed under [section 3] be served by imprisonment under home
23 arrest, as provided in Title 46, chapter 18, part 10.

24 (4) A court may not defer imposition of sentence under [section 3 or 4].

25 (5) The provisions of 61-2-107, 61-5-205(2), and 61-5-208(2), relating to suspension of driver's
26 licenses and later reinstatement of driving privileges, apply to any conviction under [section 3] for a violation of
27 [section 2].

28

1 NEW SECTION. **Section 8. Implied consent -- blood or breath tests for alcohol, drugs, or both --**

2 **refusal to submit to test -- administrative license suspension.** (1) (a) A person who operates or is in actual
3 physical control of a vehicle or commercial motor vehicle upon the ways of this state open to the public is
4 considered to have given consent to a test or tests of the person's blood or breath for the purpose of
5 determining any measured amount or detected presence of alcohol or drugs in the person's body.

6 (b) The tests in subsection (1)(a) include but are not limited to a preliminary alcohol screening test of
7 the person's breath for the purpose of estimating the person's alcohol concentration.

8 (c) A preliminary alcohol screening test may not be conducted or requested under this section unless
9 both the peace officer and the instrument used to conduct the test have been certified by the department
10 pursuant to rules adopted under the authority of [section 11(5)].

11 (d) The person's obligation to submit to a test in subsection (1)(a) is not satisfied by the person
12 submitting to a preliminary alcohol screening test pursuant to this section.

13 (2) (a) The test or tests must be administered at the direction of a peace officer when:

14 (i) the peace officer has particularized suspicion to believe that the person has been driving or has
15 been in actual physical control of a vehicle upon ways of this state open to the public while under the influence
16 of alcohol, drugs, or a combination of the two and the person has been detained for a violation of driving under
17 the influence as provided in [section 2] or an offense that meets the definition of aggravated driving under the
18 influence in [section 1];

19 (ii) the person is under the age of 21 and the peace officer has particularized suspicion to believe that
20 the person has been driving or in actual physical control of a vehicle in violation of [section 2(1)(e)]; or

21 (iii) the peace officer has probable cause to believe that the person was driving or in actual physical
22 control of a vehicle or commercial motor vehicle:

23 (A) in violation of driving under the influence, as provided in [section 2], and the person has been
24 placed under arrest;

25 (B) in violation of driving under the influence as provided in [section 2], and the person has been
26 involved in a motor vehicle crash or collision resulting in property damage;

27 (C) and the person has been involved in a motor vehicle accident or collision resulting in serious
28 bodily injury, as defined in 45-2-101, or death; or

1 (D) in violation of driving under the influence as provided in [section 2] and meets the definition of
2 aggravated driving under the influence in [section 1].

3 (b) A peace officer may designate which test or tests are administered.

4 (c) The peace officer shall inform the person of the right to refuse the test and that the refusal to
5 submit to the test will result in the suspension for up to 1 year of that person's driver's license.

6 (d) A hearing as provided for in [section 9] must be available. The issues in the hearing must be
7 limited to determining whether a peace officer had a particularized suspicion that the person was in violation of
8 [section 2] or an offense meeting the definition of aggravated driving under the influence in [section 1], and
9 whether the person refused to submit to the test.

10 (e) If a person refuses a preliminary alcohol screening test and another test during the same incident,
11 the department may not consider each a separate refusal for purposes of suspension of the person's driver's
12 license.

13 (3) A person who is unconscious or who is otherwise in a condition rendering the person incapable of
14 refusal is considered not to have withdrawn the consent requested in subsection (1).

15 (4) (a) If an arrested person refuses to submit to one or more tests requested and designated by the
16 peace officer, the refused test or tests may not be given unless the person has refused to provide a breath,
17 blood, urine, or other bodily substance in a prior investigation in this state or under a substantially similar statute
18 in another jurisdiction or the arrested person has a prior conviction or pending offense for a violation of 45-5-
19 104, 45-5-106, 45-5-205, or driving under the influence, including [section 2], an offense that meets the
20 definition of aggravated driving under the influence in [section 1], or a similar offense under previous laws of
21 this state or a similar statute in another jurisdiction.

22 (b) Upon the person's refusal to provide the breath, blood, urine, or other bodily substance requested
23 by the peace officer pursuant to subsection (1) and this subsection (4) may apply for a search warrant to be
24 issued pursuant to 46-5-224 to collect a sample of the person's blood for testing.

25 (c) (i) Upon the person's refusal to provide a breath, blood, urine, or other bodily substance, the
26 peace officer shall, on behalf of the department, immediately seize the person's driver's license. The peace
27 officer shall immediately forward the license to the department, along with a report certified under penalty of law
28 stating which of the conditions set forth in subsection (2)(a) provides the basis for the testing request and

1 confirming that the person refused to submit to one or more tests requested and designated by the peace
 2 officer. Upon receipt of the report, the department shall suspend the license for the period provided in [section
 3 16].

4 (ii) Upon seizure of a driver's license, the peace officer shall issue, on behalf of the department, a
 5 temporary driving permit, which is effective 12 hours after issuance and is valid for 5 days following the date of
 6 issuance, and shall provide the driver with written notice of the license suspension and the right to a hearing as
 7 provided in [section 9].

8 (iii) A nonresident driver's license seized under this section must be sent by the department to the
 9 licensing authority of the nonresident's home state with a report of the nonresident's refusal to submit to one or
 10 more tests.

11 (5) This section does not apply to tests, samples, and analyses of blood or breath used for purposes
 12 of medical treatment or care of an injured motorist, related to a lawful seizure for a suspected violation of an
 13 offense not in this part, or performed pursuant to a search warrant.

14 (6) This section does not prohibit the release of information obtained from tests, samples, and
 15 analyses of blood or breath for law enforcement purposes as provided in 46-4-301 and [section 11(6)].

16
 17 **NEW SECTION. Section 9. Right of appeal to court.** (1) Within 30 days after notice of the right to a
 18 hearing has been given by a peace officer, a person may file a petition to challenge the license suspension or
 19 revocation in the district court in the county where the arrest was made.

20 (2) The court has jurisdiction and shall set the matter for hearing. The court shall give at least 10 days'
 21 written notice of the hearing to the county attorney of the county where the arrest was made and to the city
 22 attorney if the incident leading to the suspension or revocation resulted in a charge filed in a city or municipal
 23 court. The county attorney or city attorney may represent the state. If the county attorney and the city attorney
 24 cannot agree on who will represent the state, the county attorney shall represent the state.

25 (3) Upon request of the petitioner, the court may order the department to return the seized license or
 26 issue a stay of the suspension or revocation action pending the hearing.

27 (4) The court shall take testimony, examine the facts of the case, and determine whether the
 28 petitioner is entitled to a license or whether the petitioner's license is subject to suspension or revocation based

1 on no other issues than:

2 (a) whether a peace officer had a basis for requesting a test or tests as set forth in [section 8], and

3 (b) whether the person refused to submit to one or more tests designated by the peace officer.

4 (5) This section does not grant a right of appeal to a state court if a driver's license is initially seized,
5 suspended, or revoked pursuant to a tribal law or regulation that requires alcohol or drug testing of motor
6 vehicle operators.

7
8 **NEW SECTION. Section 10. Evidence admissible -- conditions of admissibility.** (1) Upon the trial
9 of a criminal action or other proceeding arising out of acts alleged to have been committed by a person in
10 violation of driving under the influence, including [section 2], an offense that meets the definition of aggravated
11 driving under the influence in [section 1], a similar offense under previous laws of this state or the laws of
12 another state, or 61-8-805:

13 (a) evidence of any measured amount or detected presence of alcohol, drugs, or a combination of
14 alcohol and drugs in the person at the time of a test, as shown by an analysis of the person's blood or breath, is
15 admissible. A positive test result does not, in itself, prove that the person was under the influence of a drug or
16 drugs at the time the person was in control of a vehicle. A person may not be convicted of a violation of [section
17 2(1)(a)] based on the presence of a drug or drugs in the person unless some other competent evidence exists
18 that tends to establish that the person was under the influence of a drug or drugs while driving or in actual
19 physical control of a motor vehicle within this state.

20 (b) a report of the facts and results of one or more tests of a person's blood or breath is admissible in
21 evidence if:

22 (i) a breath test or preliminary alcohol screening test was performed by a person certified by the
23 forensic sciences division of the department to administer the test; or

24 (ii) a blood sample was analyzed in a laboratory operated or certified by the department or in a
25 laboratory exempt from certification under the rules of the department and the blood was withdrawn from the
26 person by a person competent to do so under [section 11(1)]; and

27 (c) a report of the facts and results of a physical, psychomotor, or physiological assessment of a
28 person is admissible in evidence if it was made by a person trained by the department or by a person who has

1 received training recognized by the department.

2 (2) If the person under arrest refused to submit to one or more tests under [section 8], whether or not
3 a sample was subsequently collected for any purpose, proof of refusal is admissible in any criminal action or
4 proceeding arising out of acts alleged to have been committed while the person was driving or in actual
5 physical control of a vehicle upon the ways of this state open to the public while under the influence of alcohol,
6 drugs, or a combination of alcohol and drugs. The trier of fact may infer from the refusal that the person was
7 under the influence. The inference is rebuttable.

8 (3) The provisions of this part do not limit the introduction of any other competent evidence bearing on
9 the question of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and
10 drugs.

11
12 **NEW SECTION. Section 11. Administration of tests.** (1) Only a licensed physician, registered
13 nurse, or other qualified person acting under the supervision and direction of a physician or registered nurse
14 may, at the request of a peace officer, withdraw blood for the purpose of determining any measured amount or
15 detected presence of alcohol, drugs, or any combination of alcohol and drugs in the person. This limitation does
16 not apply to the sampling of breath.

17 (2) In addition to any test administered at the direction of a peace officer, a person may request that
18 an independent blood sample be drawn by a physician or registered nurse for the purpose of determining any
19 measured amount or detected presence of alcohol, drugs, or any combination of alcohol and drugs in the
20 person. The peace officer may not unreasonably impede the person's right to obtain an independent blood test.
21 The peace officer may but has no duty to transport the person to a medical facility or otherwise assist the
22 person in obtaining the test. The cost of an independent blood test is the sole responsibility of the person
23 requesting the test. The failure or inability to obtain an independent test by a person does not preclude the
24 admissibility in evidence of any test given at the direction of a peace officer.

25 (3) Upon the request of the person tested, full information concerning any test given at the direction of
26 the peace officer must be made available to the person or the person's attorney.

27 (4) A physician, registered nurse, or other qualified person acting under the supervision and direction
28 of a physician or registered nurse does not incur any civil or criminal liability as a result of the proper

1 administering of a blood test when requested in writing by a peace officer to administer a test.

2 (5) The department in cooperation with any appropriate agency shall adopt uniform rules for the
3 giving of tests and may require certification of training to administer the tests as considered necessary.

4 (6) If a peace officer has probable cause to believe that a person has violated [section 2], meets the
5 definition of aggravated driving under the influence as defined in [section 1], or has violated 61-8-805 and a
6 sample of blood, breath, urine, or other bodily substance is taken from that person for any reason, a portion of
7 that sample sufficient for analysis must be provided to a peace officer if requested for law enforcement
8 purposes and upon issuance of a subpoena as provided in 46-4-301.

9

10 **NEW SECTION. Section 12. Ignition interlock device -- assisting in starting and operating --**
11 **circumventing -- penalty.** (1) It is unlawful for a person who is subject to a restriction under [section 6] to
12 operate a vehicle that is not equipped with an ignition interlock device.

13 (2) A person may not knowingly assist a person who is restricted to the use of an ignition interlock
14 device to start and operate the restricted person's vehicle.

15 (3) A person may not knowingly circumvent the operation of an ignition interlock device.

16 (4) A person convicted of a violation of this section shall be punished by a fine of not more than \$500
17 or by imprisonment for not more than 6 months or both.

18 (5) This section does not apply if:

19 (a) the starting of a motor vehicle or the request to start a motor vehicle equipped with an ignition
20 interlock device is done for the purpose of safety or mechanical repair of the device or the vehicle; and

21 (b) the person subject to the restriction does not operate the vehicle.

22

23 **NEW SECTION. Section 13. Department rules regarding ignition interlock devices -- ignition**
24 **interlock device provider requirements.** (1) The department shall adopt rules providing for the approval of
25 ignition interlock devices and the installation, calibration, repair, and removal of approved devices.

26 (2) The department's rules must be based on federal standards issued for similar devices.

27 (3) An ignition interlock device that is approved by the department must also:

28 (a) be designed so it does not impede safe operation of the vehicle;

- 1 (b) correlate well with the level established for alcohol impairment;
- 2 (c) work accurately and reliably in an unsupervised environment and under extreme weather
- 3 conditions;
- 4 (d) require a deep lung breath sample or use an equally accurate measure of blood alcohol
- 5 concentration equivalence;
- 6 (e) resist tampering and show evidence of tampering if it is attempted;
- 7 (f) be difficult to circumvent;
- 8 (g) minimize inconvenience of a sober user;
- 9 (h) operate reliably over the range of automobile environments and in connection with various
- 10 manufacturing standards; and

11 (i) be manufactured by a person who is adequately insured for product liability.

12 (4) An ignition interlock device provider shall include in any lease agreement for an ignition interlock
13 device a warning that a person who knowingly tampers with, circumvents, or otherwise misuses the device is
14 subject to criminal prosecution.

15

16 **NEW SECTION. Section 14. Unlawful possession of open alcoholic beverage container in**
17 **motor vehicle on highway.** (1) Except as provided in subsection (2), a person commits the offense of unlawful
18 possession of an open alcoholic beverage container in or on a motor vehicle if the person knowingly possesses
19 an open alcoholic beverage container within the passenger area of a motor vehicle on a highway.

20 (2) This section does not apply to an open alcoholic beverage container:

- 21 (a) in a locked glove compartment or storage compartment;
- 22 (b) in a motor vehicle trunk or luggage compartment or rack, or in a truck bed or cargo compartment;
- 23 (c) behind the last upright seat of a motor vehicle that is not equipped with a trunk;
- 24 (d) in a closed container in the area of a motor vehicle that is not equipped with a trunk and that is not
- 25 normally occupied by the driver or a passenger; or
- 26 (e) in the immediate possession of a passenger:
- 27 (i) of a bus, taxi, or limousine that is used for the transportation of persons for compensation and that
- 28 includes the provision of a hired driver; or

1 (ii) in the living quarters of a camper, travel trailer, or motor home.

2 (3) (a) A person convicted of the offense of unlawful possession of an open alcoholic beverage
3 container in a motor vehicle shall be fined an amount not to exceed \$100.

4 (b) A violation of this section is not a criminal offense within the meaning of 3-1-317, 3-1-318, 45-2-
5 101, 46-18-236, 61-8-104, and 61-8-711 and may not be recorded or charged against a driver's record, and an
6 insurance company may not hold a violation of this section against the insured or increase premiums because
7 of the violation. The surcharges provided for in 3-1-317, 3-1-318, and 46-18-236 may not be imposed for a
8 violation of this section.

9

10 NEW SECTION. **Section 15. Suspension of imprisonment sentence for DUI court participation.**

11 (1) If a person participates in a DUI court, the court may, at the court's discretion, suspend all or a portion of an
12 imprisonment sentence under [section 3], except for the mandatory minimum imprisonment term.

13 (2) If a person participating in a DUI court fails to comply with the conditions imposed by the DUI
14 court, the court shall revoke the suspended imprisonment sentence and any sentence subsequently imposed
15 must commence from the effective date of the revocation.

16

17 NEW SECTION. **Section 16. Mandatory suspension of license following certain implied consent**

18 **action.** (1) The department shall suspend an individual's driver license if the department receives a report for
19 an implied consent violation from law enforcement or another reporting jurisdiction that, pursuant to [section 8],
20 an individual has refused a test or tests of the person's blood, breath, urine, or other bodily substance for
21 determining any measured amount or detected presence of alcohol or drugs in the person's body.

22 (2) (a) Except as permitted by law, a person whose license or privilege to drive a motor vehicle on
23 the public highways has been suspended may not have the license or privilege renewed or restored until the
24 revocation or suspension duration has been completed.

25 (b) The department shall apply the appropriate sanction to the driver based on the reported conviction
26 and prior offenses.

27 (c) The driver shall pay all reinstatement and administrative fees owed to the department before a
28 driver's license or privilege to drive is restored.

- 1 (d) The duration of the suspension commences from the date of violation.
- 2 (e) If a person refuses tests for the same incident, the department may not consider each a separate
3 refusal for purposes of suspension.
- 4 (f) The department may not issue a probationary license during the suspension issued under this part.
- 5 (3) (a) A person who has an implied consent violation shall pay the department an administrative
6 fee of \$300, which must be deposited in the state special revenue account established pursuant to subsection
7 (3)(b).
- 8 (b) There is a blood-draw search warrant processing account in the state special revenue fund
9 established pursuant to 17-2-102(1)(b). Money provided to the department of justice pursuant to this subsection
10 (3) must be deposited in the account and may be used only for providing forensic analysis of a driver's blood to
11 determine the presence of alcohol or drugs.
- 12 (4) (a) Upon receiving a report of an implied consent violation, the department shall:
13 (i) for a first violation, suspend the driver's license or driving privilege for 6 months with no provision
14 for a restricted probationary license; or
15 (ii) for a second or subsequent violation within 5 years of a previous refusal, as determined from the
16 records of the department, suspend the driver's license or driving privilege for 1 year with no provision for a
17 restricted probationary license.
- 18 (b) If a person who refuses to submit to one or more tests under this section is the holder of a

10 **"67-1-211. Alcohol concentration standards -- evidence admissible -- administration of tests.**

11 (1) If a person acting or attempting to act as a crewmember of an aircraft has an alcohol concentration, as
12 defined in [section 1] of 0.04% by weight or more ~~as defined in 61-8-407~~, it may be inferred that the person is
13 under the influence of alcohol and is in violation of 67-1-204.

14 (2) Evidence of any measured amount or detected presence of alcohol in the person at the time of the
15 act alleged under subsection (1) and any other competent evidence bearing on the question of whether the
16 person was under the influence of alcohol, drugs, or a combination of the two at the time of the act alleged is

20 of 67-1-204, the court or jury may consider federal regulations governing aeronautics.

21 (4) A person who operates an aircraft over the lands and waters of this state is considered to have
22 given consent to a test of the person's blood, breath, or urine for the purpose of determining any measured
