24 (2) If the check of the statewide voter registration database indicates that the applicant is registered to
25 vote, but the information provided in the application is different or more complete than the applicant's
26 information in the statewide voter registration database or the applicant is an inactive or provisionally registered

5 that:

6 (a) the county election administrator of the county in which the applicant resides is notified of the
7 added or updated voter information; and

8 (b) if the transferred information indicates a change of address to another county, the county election
9 administrator in the county where the applicant previously resided is notified of the address change.

10 (3) If the secretary of state determines that an applicant is not eligible to register as a legally
