(2) A manual count or recount of votes must be conducted as follows:

(a) One election judge on the board shall read the ballot while the two other judges on the board shall each record on an official tally sheet the number of valid votes cast for each individual or ballot issue.

Write-in votes must be counted in accordance with subsection (5) and rules adopted pursuant to subsection (7).

If a vote has not been cast according to instructions, the vote must be considered questionable and the entire

ballot must be set aside and votes on the ballot must be handled as provided in subsection (4).

(b) (i) After the vote count is complete, the tally sheets of the two judges recording the votes must be compared.

(ii) If the two tallies match, the judges shall record in the official results records:

(A) the names of all individuals who received votes;

(B) the offices for which individuals received votes;

(C) the total votes received by each individual as shown by the tally sheets; and

(D) the total votes received for or against each ballot issue, if any.

(iii) If the tallies do not match, the count must be conducted again as provided in this subsection (2) until the two tallies match.

(3) (a) When a voting system is counting votes:

(i) if a vote is recognized and counted by the system, it is a valid vote;

(ii) if a vote is not recognized and counted by the system, it is not a valid vote; and

(iii) write-in votes must be counted in accordance with rules adopted pursuant to subsection (7).

(b) If the voting system cannot process the ballot because of the ballot's condition or if the voting system registers an unmarked ballot or an overvote, which must be considered a questionable vote, the entire ballot must be set aside and the votes on the ballot must be counted as provided in subsection (4).

(c) If an election administrator or counting board has reason to believe that a voting system is not functioning correctly, the election administrator shall follow the procedures prescribed in 13-15-209.

(d) After all valid votes have been counted and totaled, the judges shall record in the official results records the information specified in subsection (2)(b)(ii).

(4) (a) (i) Before being counted, each questionable vote on a ballot set aside under subsection (2)(a) or (3)(b) must be reviewed by the counting board. The counting board shall evaluate each questionable vote according to rules adopted by the secretary of state.

(ii) If a majority of the counting board members agree that under the rules the voter's intent can be clearly determined, the vote is valid and must be counted according to the voter's intent.

(iii) If a majority of the counting board members do not agree that the voter's intent can be clearly determined under the rules, the vote is not valid and may not be counted.

(b) If a ballot was set aside under subsection (3)(b) because it could not be processed by the voting system due to the ballot's condition, the counting board shall transfer all valid votes to a new ballot that can be processed by the voting system.

(5) A write-in vote may be counted only if:

(a) ~~(i) the write-in vote identifies an individual by a designation filed pursuant to 13-10-211(1)(a);~~  
or and

~~(ii) pursuant to 13-10-211(7), a declaration of nomination was not filed and the write-in vote identifies an individual who is qualified for the office; and~~

(b) the oval, box, or other designated voting area on the ballot is marked.

(6) A vote is not valid and may not be counted if the elector's choice cannot be determined as provided in this section.

(7) The secretary of state shall adopt rules defining a valid vote and a valid write-in vote for each type of ballot and for each type of voting system used in the state. The rules must provide a sufficient guarantee that all votes are treated equally among jurisdictions using similar ballot types and voting systems.

(8) Local election administrators shall adopt policies to govern local processes that are consistent with the provisions of this title and that provide for:

(a) the security of the counting process against fraud;

(b) the place and time and public notice of each count or recount;

(c) public observance of each count or recount, including observance by representatives authorized under 13-16-411;

(d) the recording of objections to determinations on the validity of an individual vote or to the entire counting process; and

(e) the keeping of a public record of count or recount proceedings.

(9) For purposes of this section, "overvote" means an elector's vote that has been interpreted by the voting system as an elector casting more votes than allowable for a particular office or ballot issue."
