Susan,

This is the bill from Montana's participation in the Tri-State Wolf Compact.

If you need to see some reports and legal opinions that Mr. Myers prepared for the group I could send you some of those also.

In the very first e-mail I received from former Senate President Story requesting I attend this meeting in Salt Lake City, there was discussion regarding the Legislators hiring the services of Mr. Myers for the purposes of delving into the wolf issue. I believe I no longer have this e-mail, however President Story might have saved.

If I can be of any further assistance in clearing up this funding issue--don't hesitate to call.

Debby

Hi Debby -- I discussed this email with Jim a few moments ago. He said Montana's fees are in House Bill 2, less Montana's share of my February fees which is \$936.33. Jim suggested I contact you to make sure the amounts are working their way through the legislature. I just left you a message at the State House. It is about this. Jim also suggest I contact Jim Peterson, but I thought I'd check in with you first. If you have a moment, call me at 208-343-3954. Thanks.

Hi Jim -- I just left you a voice message about Montana's portion of my legal fees. I have attached a spread sheet showing invoices, payments by Idaho and Wyoming, and Montana's portion through February. The committee is quiet now so I don't know that there will be much more, but I'd like to get the Montana portion brought current. Please let me know if you have questions or if I should be working with Debbie Barrett or perhaps Jim Peterson on this. Thanks.

Bill
