Session Law Citation: Chapter 469, Laws of 1997

Statutory Citation: Title 22, chapter 3, part 10, MCA

Established in 1997, the Montana Heritage Preservation and Development Commission is responsible for managing, developing, and operating Heritage Commission properties, including Virginia City, Nevada City, and the Pioneer Cabin and Reeder's Alley in Helena. The Commission consists of 14 members. The two legislative members are chosen by the Speaker of the House and the President of the Senate. The Governor appoints nine members of the public with backgrounds in tourism, history and historic preservation, community planning, and business. The directors of the Montana Department of Fish, Wildlife, and Parks, the Montana Historical Society, and the Montana Department of Commerce also serve on the commission.

Although the Commission is charged with overseeing the acquisition of culturally and historically significant properties throughout the state, its first order of business is to manage Virginia City and Nevada City.
