

Natural Resource Damage Program Policy Committee

Session Law Citation: Chapter 454, Laws of 2007

The Natural Resource Damage Program Policy Committee oversees the Montana Department of Justice's litigation seeking damages for injuries caused by the release of hazardous substances from the Upper Blackfoot mining complex, including the Mike Horse Mine and Dam.

Membership

The Committee consists of the Governor's Chief of Staff, the directors of the Departments of Environmental Quality; Natural Resources and Conservation; and Fish, Wildlife, and Parks; the Attorney General; and four legislative members appointed by the Speaker of the House and the President of the Senate, each appointing two members of their respective bodies, one from the majority party and one from the minority party.
