

Streamline bus service between Downtown Bozeman parking garage and MSU

Bozeman’s Bridger Park Garage and the bus transfer center are co-located. The garage entry is on North Black, between Main and Mendenhall. From I-90 from the west, take the North 7th Avenue exit (Exit 306), travel south on North 7th, turn left on West Main, go about a half mile, then turn left on Black. The garage entrance is ½ block on left.

From points east, take the I-90 East Main exit (Exit 309), the off-ramp will put you on East Main. Go down the hill, turn right on Church, and take the next left onto Mendenhall. Go west on Mendenhall for about ½ mile, then turn left on Black, and immediately right into the garage entry. Look for the building with big “P” on it as you approach. On the upper map, A is the Holiday Inn/Grantree hotel area, D is the Magnuson Grand Hotel, B is the parking garage, and C points to the East Main highway exit.

Parking at the garage is free for the first two hours, then \$1/hour thereafter. Between the Select Committee and Rep. Williams, we will cover parking charges associated with this meeting. Ask Committee staff for a validation card. Buses leave from Mendenhall on the north side of the garage (park facing the mountains and use the stairway in the center of that side of the building). Note on which floor you parked. Cross behind busses and board from the traffic island.

The schedules and lines below are those with the most direct routes to MSU (as of 1/31/12). **If a bus seems 20 minutes early or more, that bus is NOT going directly to the destination below.** Ensure the bus you board is the one at the stop within about 5 minutes of the time listed below. The “line” (i.e., Blue Line, Yellow Line, etc.) is displayed above the windshield of the bus. The main MSU stop is in front of the Student Union Building (SUB). Upon return to the garage, insert your ticket in the machine at the garage exit, then use your validation card as payment.
