

Take the *Streamline*

The Select Committee on Efficiency in Government encourages everyone planning to participate in the Committee's meeting on February 6-7 to experiment with the efficiencies of the *Streamline* transit bus system. From numerous stops around the Bozeman area, the *Streamline* will take you right to the doorstep of the meeting venue, the Student Union Building on the MSU campus where the meetings will be held. As most Bozemanites know, vehicle parking on the MSU campus can be challenging, to say the least.

Even so, MSU has generously set aside a very limited number of guest parking passes for the public. The guest passes will be allocated on a first-come, first-served basis by contacting Ms. Jodie Delay at 994-2502.
