The Sovereign People of the Flathead Indian Reservation**

A People of Vision

Vision

The traditional principles and values that served our people in the past are imbedded in the many ways we serve and invest in our people and communities, in the ways we have regained and restored our homelands and natural resources, in the ways we have built a self-sufficient society and economy, in the ways we govern our Reservation and represent ourselves to the rest of the world and in the ways we continue to preserve our right to determine our own destiny.

Mission

Our mission is to adopt traditional principles and values into all facets of tribal operations and service. We will invest in our people in a manner that ensures our ability to become a completely self-sufficient society and economy. We will strive to regain ownership and control of all lands within our reservation boundaries. And we will provide sound environmental stewardship to preserve, perpetuate, protect and enhance natural resources and ecosystems.
