Subject: Commitment Date

Hello Sue,

I am not available to make public comment today but request the CFHHS Interim committee please look at 53-21-102 (4) MCA and to include in definitions under (4) a subsection (4) (a) defining commitment date as the date the judge signs the order. Please give this to the committee, as the Supreme Court has made note of this in one of its opinions to have the legislature determine commitment date. Thank you. Patti Jacques
