

**OFFICIAL REPORT
OF THE
MONTANA
CODE COMMISSIONER**

**Special and Regular Sessions
1992 and 1993**

In accordance with 1-11-204(5)(c), MCA, the Montana Code Commissioner hereby reports all changes made during the continuous recodification since the last report.

The law requires a report in tabular or other form explaining all changes made other than punctuation, spelling, and capitalization. In addition, 1-11-103, MCA, provides that:

In case of any inconsistency in meaning arising through omission or otherwise between the provision of the Montana Code Annotated and the corresponding portion of the official enrolled bill on file with the Secretary of State, effect must be given to the official enrolled bill.

The Code Commissioner Report reflects changes made by each chapter. In instances in which a section was amended by more than one chapter, subsection references in the Code Commissioner Report may not correspond to subsection references in the Montana Code Annotated because of composite preparation. In instances in which a section has different effective dates, references in the Code Commissioner Report may not correspond to references in the Montana Code Annotated because of multiple versions of the section.

Changes to correct grammar or to match Legislative Council bill drafting style are reported as "style" changes.

Compiled by Sally Bush-Arrigo, Carol Ann Jacobsen, and Mary Ellen Randall, Editors.
