\* Explain all "yes" answers in narrative form and attach to check list.

15. Public Interest: *none noted*

Prepared by: *Russ Offerdall* Title *Conservation Unit Manager*

Based on my review of the above action I have included that a EA is is not required  
(Circle appropriate response.)

because: *No significant environmental impact should result from the proposed activity*

Area Manager/Bureau Chief *[Signature]* Date *4/28/92*  
Route copies to: File

*Note: This tract is used for agricultural production.*

*Placing a water pipeline underground should have very little or no impact on current production of the operation.*

*8. A buried water pipeline operated by Tiber Water will be tapped as a water source for the proposed activity*
