# SUBDIVISION APPLICATION FORM

## Montana Department of Environmental Quality Local Government Joint Application Form

Section 76-4-129, MCA, provides that this Joint Subdivision Application Form may be used to apply for Montana Department of Environmental Quality (DEQ) approval of subdivisions under the Sanitation in Subdivision Act and for subdivision approval by local governments under the Subdivision and Platting Act. The form replaces DEQ form E.S. 91 and local preliminary plat approval forms. Land owners thus are relieved from the burden of providing similar information on different forms under two separate laws. Please consult with your local planning board or health department or DEQ regarding the proper submittal of this application and supporting material.

- A. When applying for subdivision review by the planning board and local governing body, the following parts of this form must be completed and submitted to the governing body or its designated agent:
1. Part I must be completed for all subdivisions required to be reviewed and approved by the local governing body.
  2. Parts I, II and III must be completed for all subdivisions for which local subdivision regulations require submittal of an environmental assessment.
- B. When applying for review of subdivisions by DEQ, the following parts of this form must be completed and submitted to DEQ. If the proposed subdivision is located in a county contracted to perform the review of minor subdivisions (five or fewer lots), application must be made to the local health department.
1. Parts I and II must be completed for all subdivisions subject to review and approval by DEQ.
- C. When applying for concurrent review of the subdivision by the local governing body and by DEQ, the following parts of this form must be completed and submitted to the local governing body or its designated agent, or to DEQ:
1. Parts I and II must be completed for all subdivisions for which concurrent review is requested.
  2. Parts I, II and III must be completed for all subdivisions for which local subdivision regulations require submittal of an environmental assessment.

Copies of this Joint Application Form are available from:

- Montana Department of Environmental Quality, Permitting and Compliance Division;
- Montana Department of Commerce, Economic and Community Development Division;
- local sanitarians; and
- local planning offices.

REVISED 9/97
