

**ENVIRONMENTAL REVIEW OF FISH INTRODUCTIONS
PRIVATE POND APPLICATION**

Name and address of applicant Ted Seim
P.O. Box 130352
Coram, MT 59913

Has the pond been approved for a private pond permit?

Location:

County Flathead Township 31N Range 19W Section 17

Name of the drainage where the pond would be located

Name(s) of fish species proposed for introduction Rainbow and westslope cutthroat trout

Is this species legally present in the drainage? Yes

Species of special concern present in the drainage Westslope cutthroat and bull trout

RISKS:

Potential for impacts on genetic structure of existing fish populations? None X Minor Major
Comments:

Impacts to any life stage of existing fish populations due to competition and/or predation? None X Minor Major
Comments:

Impacts to other forms of aquatic life that may be caused by this introduction? None X Minor Major
Comments:

Potential for the proposed new species to reproduce in this location? None X Minor Major
Comments:

If necessary, would it be feasible to remove this species after it has been stocked?

Yes, small pond.

Would this introduction result in impacts that are individually limited, but cumulatively considerable?

No.

Describe reasonable and prudent alternatives to this action, if any (including no action).

No action; limit to cutthroat.

Describe and evaluate mitigation, stipulations, or other control measures enforceable by the agency, if any.

None.

List any other agencies or individuals that may be affected by the proposed introduction:

None.

List all agencies and individuals who have been notified of this proposed introduction:

None.

Based on this evaluation, is an EIS required? Yes/No If no, explain why the EA is the appropriate level of analysis for the proposed action.

Small pond, discharges to the ground.

EA prepared by: Jim Vashro
