

DEQ OPENCUT MINING PROGRAM
SUPPLEMENTAL ENVIRONMENTAL ASSESSMENT

Proponent: Lazy K6 Ranch

Site: Lazy K6 Ranch

Legal: SWSW1, T25N, R8E

County: Chouteau

Approved Permit and Amendment #'s: To be designated upon assignment approval.

Type and Purpose of Action: Operator has applied for an amendment to add 6.7 acres to their 3.5-acre permit for a total of 10.2 acres permitted.

Site Description: The amendment area has already been disturbed by the previous operator. Lazy K6 is assuming responsibility for this disturbance. The area consisted of dry grassed bench. It appears there were no extraordinary features on or around the site. The site is in a remote location. There are no nearby residences.

Potential Impacts and Mitigation: The amendment area will not cause substantial impacts on the physical environment or human population. Proponent will be legally bound by their permit to reclaim the site. The 2001 Environmental Assessment is applicable to this action.
