Dear Interested Party:

Due to several requests to extend the scoping period to allow for additional time to comment on the proposed sale of a parcel of Trust land adjacent to the Double Arrow subdivision in Seeley Lake, DNRC is extending the scoping period deadline from April 10, 2008 to Monday May 5th, 2008.

The parcel of land is described as the SE1/4 of Section 12, Township 16 North – Range 15 West, containing 160 acres. This parcel is primarily forested land and surrounded by the Double Arrow Subdivision. The Double Arrow private road crosses the parcel and does not provide legal access to the parcel; however, there is legal access from the south.

Comments **will be accepted until 5 p.m. on Monday, May 5, 2008** and should be sent to:
