**Decision Notice for the following Shooting Ranges:  
Missoula Trap & Skeet Club,  
Whittecar Rifle Range, Judith Basin Archery Club, and Dillon Rifle  
and Pistol Club**

The Montana Department of Fish, Wildlife & Parks announces the funding of the following shooting ranges with enhancement grants.

The Missoula Trap and Skeet Club located west of Missoula, along Highway 10 West, between Highway 10 and Interstate 90. FWP will provide \$23,160 in partial funding towards constructing a security fence for the east, north, and west boundaries of the range.

Whittecar Rifle and Pistol Club located northwest of Hamilton. FWP will provide \$34,660 as partial funding towards paving one parking area, constructing a new classroom and meeting room, installing propane heaters in the new classroom and constructing an earthen 360 degree shooting bay.

Judith Basin Archery Range located on the county fairgrounds in Stanford. FWP will provide \$17,045 to provide enhanced (Americans with Disabilities Act) access to building and facilities and bathroom; installing insulation and replacing an old heating system with a new propane system; and replacing indoor and outdoor archery butts.

Dillon Rifle and Pistol Club located northwest of Dillon. FWP will provide \$30,207 in partial funding to build, modify, or expand former and new ranges, add a vault toilet and new parking area, and make all activity areas more handicapped accessible.

The funding decisions follow the completion of environmental assessments and public comment periods for each project.

Anyone with questions about the funding can contact Kurt Cunningham at (406) 444-1267 or [kcunningham@mt.gov](mailto:kcunningham@mt.gov).
